Slave Of The Passion:

Not Passion's Slave Robert C. Solomon, 2003-01-30 The idea that we are in some significant sense responsible for our emotions is an idea that Robert Solomon has developed for almost three decades Here in a single volume he traces the development of this theory of emotions and elaborate it in detail Two themes run through his work the first presents a cognitive theory of emotions in which emotions are construed primarily as evaluative judgments The second proposes an existentialist perspective in which he defends the idea that as we are responsible for our emotions Indeed sometimes it even makes sense to say that we choose them While the first claim has gained increasing currency in the literature his claim about responsibility for emotions has continued to meet with considerable resistance and misinterpretation The new emphasis on evolutionary biology and neurology has mistakenly reinforced the popular prejudice that emotions happen to us and are entirely beyond our control This volume is also a kind of intellectual memoir of Solomon's own development as a thinker The essays written in the 1980s elaborate the themes of the intentionality of emotion and the claim that emotions are judgments in this period he is also increasingly preoccupied with how emotions vary and are identified in a variety of cultures In the 1990s his interests evolve to consider the social and political role of emotions and theories about emotion The final section presents his current philosophical position on the seeming passivity of the passions Despite his own critical assessment of his earlier work he continues to argue that in the final analysis we are responsible for our emotions and existential quality of our lives

PASSION'S SLAVE ALEXIS HILL, 1979 The Passion for Happiness Adam Potkay, 2000 Although widely perceived as inhabiting different even opposed literary worlds Samuel Johnson 1709-1784 and David Hume 1711-1776 shared common ground as moralists Adam Potkay traces their central concerns to Hellenistic philosophy as conveyed by Cicero and to earlier moderns such as Addison and Mandeville Johnson's and Hume's large and diverse bodies of writings Potkay says are unified by several key questions What is happiness What is the role of virtue in the happy life What is the proper relationship between passion and reflection in the happy or flourishing individual In their writings Johnson and Hume largely agree upon what flourishing means for both human beings and the communities they inhabit They also tell a common story about the history that led up to the enlightened age of eighteenth century Europe On the divisive topic of religion these two great men of letters wrote with a decorum that characterizes the Enlightenment in Britain as compared to its French counterpart In *The Passion for Happiness* Adam Potkay illuminates much that philosophers and historians do not ordinarily appreciate about Hume and that literary scholars might not recognize about Johnson

The Politics of Passion Gloria Wekker, 2006-04-25 Gloria Wekker analyzes the phenomenon of mati work an old practice among Afro Surinamese working class women in which marriage is rejected in favor of male and female sexual partners Wekker vividly describes the lives of these women who prefer to create alternative families of kin lovers and children and gives a fascinating account of women's sexuality that is not limited to either heterosexuality or same sex sexuality She offers new perspectives on the lives of Caribbean women

Regulating Passion Kelly A. Ryan,2014-03-25 Sexual regulation and reputation were critical tools in maintaining early Massachusetts hierarchy A reputation for sexual virtue was most easily maintained by elites who had the means to avoid sexual regulation Regulating Passion examines how the American Revolution changed the nature of patriarchal rule by shattering old ways of penalizing and publishing illicit sexual behavior and more people embarked on policing the sexual morality of society *From Pastime to Passion* Patricia Millen,2001-01-01 While baseball s favorite myth regarding Abner Doubleday is proven to be false America s favorite pastime is clearly a part of American history Ice baseball prison camps Albert Spalding and the quest to prove baseball s American origin and much more are discussed M1775HB 15 95 *Passion Narratives and Gospel Theologies* Frank Matera,2001-06-28 Although the passion narratives of the synoptic gospels can be read as free standing narrative each one of them is the goal and climax of the Gospel story that precedes it In *Passion Narratives and Gospel Theologies* Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative Matera s study of the Markan passion narrative in light of the Gospel s theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah and no one can be Jesus disciple unless he or she accepts the scandal of the cross While the Gospel of Matthew continues to develop the great themes of Mark s gospel Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology Finally Matera demonstrates how the Lukan passion narrative by presenting Jesus as a model of innocent suffering also contains a distinctive outlook in light of its gospel theology God s righteous suffer afflictions by trial and persecution Comprehensive in scope and clearly written *Passion Narratives and Gospel Theologies* provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist It will be welcome by students and pastors *Passion and Principle* Sally Denton,2009-05-01 John Charles Fremont was the illegitimate child of a Virginia aristocrat and a working class French immigrant Jessie Benton was the daughter of the most powerful pre Civil War U S senator Thomas Hart Benton of Missouri and her gender notwithstanding had been groomed as much as any young man to be president Senator Benton unwittingly brought the two together never imagining that his daughter would fall in love with Fremont Despite their disparate backgrounds however John and Jessie s marriage was one of the most storied events of the nineteenth century And indeed Jessie and John made a formidable couple Both together and apart they contributed significantly to shaping the United States He was a key figure in western expansion and the first presidential candidate for the Republican Party She was a savvy political operator who played confidante and adviser to the highest political powers in the country Despite their great efforts on behalf of their country however their reputations did not survive a Washington smear campaign led by none other than Jessie s father Written with an investigative journalist s

In Sensible Judgement Max Deutscher, 2016-05-23 Taking its bearings from classic texts including Plato Kant Hegel and Arendt this thoughtful and intriguing book provides philosophical reflection on what it is to judge and what judgement achieves alongside and sometimes in competition with thinking and willing Opening with the landmark Mabo High Court case in Australia and with detailed reference to other significant debates of judgement of the twentieth century Max Deutscher seeks to explore and explain approaches to the concepts of what is good right and legal Describing a connection between reason and grounds intrinsic to judgement he analyses and explores the tendency towards absolutism that displaces proper judgement By weaving concrete instances of judgement with philosophical thought Deutscher provides a fascinating phenomenology of practices of judgement that should appeal to all readers with an interest in legal philosophical and political thought

Radical Passion Andrew Harvey, 2012-10-23 This culmination of award winning author Andrew Harvey's life's work bridges the great divide between spiritual resignation and engaged spiritual activism A manifesto for the transformation of the world through the fusion of deep mystical peace with the clarity of radical wisdom it is a wake up call to put love and compassion to urgent focused action According to Harvey we are in a massive global crisis reflected by a mass media addicted to violence and trivialization at a moment when what the world actually needs is profound inspiration a return to the heart centered way of the Divine Feminine the words of the mystics throughout the ages and the cultivation of the nonviolent philosophies of Gandhi Nelson Mandela Aung San Suu Kyi and the Dalai Lama Harvey's concepts of radical passion and sacred activism fly in the face of restraint of pessimism of denial of all that is inhumane fusing the mystic's passion for God with the activist's passion for justice and for healing the division between heaven and earth heart and will body and soul prayer and action Sacred activism asks that we engage deeply on a personal spiritual and political level so as to become a fully empowered fully active and contemplative humanity that can turn tragedy into grace and desolation into the opportunity to build and co create a new world Unlike many spiritual books *Radical Passion* does not veil the dark with artificial hope It explores the catastrophes of our current times and celebrates the ecstatic hope and divinity that is possible right now and in the future

Parish Passion Play Kevin Carey, 2014-02-01 This play

brings the Passion narrative to life in a production suitable for anyone with little or no acting experience *Literary Passion, Ideological Commitment* Dawn Duke, 2008 This study examines Afro Cuban and Afro Brazilian women writers as well as analysing the roles of women of African descent in Cuban and Brazilian literature Initially literary imagination locked women into circumscribed roles a result of hierarchies embedded in slavery and colonialism and sustained by hierarchical theories on race and gender The discussion illustrates how these negative aspects have influenced the mainstream literary imagination that contrasts with the self portrayals created by women writers themselves Even as there continues to be disadvantageous constructions there is no doubt that a modification has occurred over time in images representation and articulation It is a change directly associated with the instances when women themselves are the writers The historiographic image of the Afro Cuban and Afro Brazilian woman as a written object is ideologically replaced by a vision of her as a writing subject It is here that the vision of a creative multifaceted and diversified literature becomes important *From Preparation to Passion* Eleanor Cooper Brown, 2010-10 There are many devotional books written to help communities of faith and individuals to observe the season of Lent in a devout manner Here within is another resource that is intended to allow you to truly engage yourself in the preparation and propel you into a Holy passion for Christ by the time you reach Easter

Glory, Passion, and Principle Melissa Lukeman Bohrer, 2007-11-01 Much has been written of the brave deeds acts of heroism and intellectual prowess of the men who drafted the Declaration of Independence over two hundred years ago yet almost no attention has been paid to the extraordinary women of that time women who helped found our nation with courage sacrifice and intellect equal to any of the famed male politicians of 1776 *Glory Passion and Principle* tells the story of eight incredible women each deprived of formal education world travel or equal status and yet all managed to flourish against incredible odds Whether advising such men as John Adams Thomas Jefferson or Benjamin Franklin on political theory publishing poems and plays that would rouse a nation to independent furor helping negotiate treaties acting as spies or fighting alongside men in the military these women broke the limiting definitions imposed upon them much as America was doing for itself and helped form and found the country that is America today Each chapter is dedicated to a different woman starting with Abigail Adams political confidante and wife of John Adams Using her intellect to influence her husband s position in the Continental Congress she earned the distinction of being the only person to put Thomas Jefferson in his place Nancy Ward the brave and diplomatic leader of the Cherokee tribe matured from a young widow to bold warrior risking her life and those of her people when she warned the Patriots of imminent attack by Native American tribes She became a strong voice when the Treaty of Hopewell was signed in 1785 Yet another bright light was Sybil Ludington a seventeen year old who took it upon herself to alert her town s militia that the British were coming and survived a ride twice as long as Paul Revere s And where Revere got caught Ludington did not Alongside Ludington Adams and Ward the five other chapters chronicle the lives of Deborah Sampson Lydia Darragh Mercy Otis Warren Phillis Wheatley and Molly Hays Filled with unimaginable

heartbreak personal sacrifice and cunning survival skills Glory Passion and Principle is an inspiring testament to the women who undoubtedly made a considerable dent in our great nation's history *People of the Passion* Stephen J. Binz, 2004
