Captives and Companions Justin Marozzi, 2025-10-21 The definitive history of the slave trade in the Islamic world a story that has been overshadowed by its notorious but shorter lived Atlantic counterpart Slavery in the Islamic world has a long complex and controversial history In the earliest days of Islam Arab Muslims enslaved men women and children as the spoils of war In the following centuries young boys were imported to imperial Islamic courts in enormous numbers Some were castrated to serve as eunuch guardians of sacred spaces from the imperial harem of Istanbul to the Prophet's Mosque in Medina Others were harvested by the Ottomans to serve as Janissaries the sultan's elite infantry unit Some even rose to the highest levels of political and military command making a mockery of their slave status For women leading concubines became powerful figures in their own right In the ninth century Golden Age of Baghdad the most beautiful and accomplished courtesans were among the richest most celebrated figures of their day In the twentieth century more than a thousand years later their cosmopolitan counterparts were still entertaining Ottoman sultans Yet it was Africa which bore the brunt of the Islamic world's insatiable demand for slave labour Slavers plied its Mediterranean Atlantic and Indian Ocean coasts traders raided inland for human cargo and millions of enslaved Africans trudged across the Sahara into captivity Meanwhile North African corsairs turned the Mediterranean into a slaving free for all between Muslims Christians and Jews The sheer longevity of slavery was no less surprising Arab Muslims adapted and regulated this practice within an Islamic context Sanctioned by the Prophet Mohammed legitimated by the Quran and holy law slavery endured for fifteen centuries Abolition had few champions and came late in the day hereditary slavery continues even today in Mali and Mauritania *Captives and Companions* takes the reader on an extraordinary historical journey across deserts continents and oceans from Baghdad to Bamako Tripoli to Timbuktu Istanbul to the Black Sea and reveals a hidden but vital chapter in our understanding of world civilization

ISIS Hostages Chris Townsend, 2017-12-15 In August 2014 ISIS surged onto the global stage with the horrific killing of a journalist who had been held hostage by the group The gruesome video was followed by several others as ISIS sought to capture and maintain the attention of the world media and encourage recruits to join them ISIS s treatment of hostages has led some to take their own lives instead of being captured But not all hostages are equal under the Islamic State This book will explore to role of hostages under ISIS from those who are killed or forced to fight to those who are used for their value as propaganda or their ability to generate income in the form of bribes for the Islamic State *The Islamic State*

Slaves of Isis Madame de Morville, 2004-05-01

ISIS Brides Bridey Heing, 2017-12-15 With the promise of glorious holy war and a wife more than 20 000 foreign fighters flowed into Iraq and Syria leaving the Islamic State hard pressed to provide enough wives for the fighters With the number of foreign women estimated at a few hundred ISIS has turned to draconian measures like slavery temporary marriages and even child brides Women captives of the group who managed to escape tell tales of terror and abuse despite the glowing promises of those who recruit women for the so called Islamic State This book explores the dangers for women and girls caught in the path of ISIS and how they re used by the group as both rewards for fighters and as warriors in their own right

The ISIS Apocalypse William McCants, 2024-03-26 Based almost entirely on primary sources in Arabic including ancient religious texts and secret al Qaeda and Islamic State letters that few have seen William McCants s The ISIS Apocalypse explores how religious fervor strategic calculation and doomsday prophecy shaped the Islamic State s past and foreshadow its dark future The Islamic State is one of the most lethal and successful jihadist groups

in modern history surpassing even al Qaeda Thousands of its followers have marched across Syria and Iraq subjugating millions enslaving women beheading captives and daring anyone to stop them Thousands more have spread terror beyond the Middle East under the Islamic State's black flag How did the Islamic State attract so many followers and conquer so much land By being more ruthless more apocalyptic and more devoted to state building than its competitors The shrewd leaders of the Islamic State combined two of the most powerful yet contradictory ideas in Islam the return of the Islamic Empire and the end of the world into a mission and a message that shapes its strategy and inspires its army of zealous fighters They have defied conventional thinking about how to wage wars and win recruits Even if the Islamic State is defeated jihadist terrorism will never be the same [Between the millstones](#) ,2015-02-27 Since June 2014 the rapid spread of ISIS Islamic State of Iraq and al Sham forces across northern Iraq has triggered a wave of displacement with more than 2 million people uprooted Ethnic and religious minorities have been particularly targeted including Christians Kaka i Shabak Turkmen and Yezidis with thousands killed and many more injured or abducted Summary executions forced conversion rape sexual enslavement the destruction of places of worship the abduction of children the looting of property and other severe human rights abuses have been committed repeatedly by ISIS This report Between the Millstones The State of Iraq's Minorities Since the Fall of Mosul draws on extensive interviews fieldwork and research to document the plight of Iraq's minorities since June 2014 While minorities have long been vulnerable to attacks by extremists this violence appears to be part of a systematic strategy to remove these communities permanently from areas where they have lived for centuries The current situation for the millions of displaced persons in Iraq many of whom belong to minority groups is characterized by deteriorating humanitarian conditions Many are without adequate food water health care shelter and other necessities with women and children especially vulnerable With little support or protection many Iraqis from minorities are now contemplating a life permanently outside the country To ensure their continued presence in Iraq authorities and other stakeholders must not only ensure their immediate protection but also promote a more inclusive future for minorities in Iraq

Possessed by the Right Hand Bernard K. Freamon,2019-05-20 In *Possessed by the Right Hand* the first comprehensive legal history of slavery in Islam ever offered to readers Bernard K Freamon an African American Muslim law professor provides a penetrating analysis of the problems of slavery and slave trading in Islamic history After examining the issues from pre Islamic times through to the nineteenth century Professor Freamon considers the impact of Western abolitionism arguing that such efforts have been a failure with the notion of abolition becoming nothing more than a cruel illusion He closes this ground breaking account with an examination of the slaving ideologies and actions of ISIS and Boko Haram asserting that Muslims now have an important and urgent responsibility to achieve true abolition under the aegis of Islamic law See Bernard Freamon live at Rutgers Law School October 8 2019 Listen to *Possessed by the Right Hand* An Interview with Prof Bernard Freamon from Network ReOrient on Anchor
