Sleeping Late on Judgment Day Jane Mayhall, 2009-03-12 My heart is bursting with homage as I head off to a hostile eternity writes Jane Mayhall now eighty five who wrote most of these poems in an urgent outpouring over the last few years From the decades outdated subway token in the bottom of her shoulder bag which calls forth earlier days in New York City to the violin her father practiced among the pantry s jam jars in her Kentucky childhood Mayhall plucks small treasures that bespeak her fierce devotion to life with its clutter of memories and imperfections In her tightly knotted beautifully turned short poems she elegizes a world not quite gone and brings us into contact with some of her contemporaries from Lincoln Kirstein to Theodore Roethke Chief among her cherished memories is her long bohemian marriage which she recalls in a series of ravishing love poems to her late husband In lines saturated with feeling she describes how she accommodates her grief at losing him and as throughout this exquisite volume how we must continue to greet life in all its gorgeous strangeness

at least as far as love is concerned the statistics indicate otherwise These days more and more people are falling in love and embarking on deep and fulfilling romantic relationships in the later part of their lives At a time when the specter of spending one's final years alone can seem only slightly less intimidating than Internet dating the subjects profiled in this book tossed their hearts up in the air with the hope that love just might spring eternal And just how different is the game at age seventy five than it was at age twenty five This book forms an engaging meditation on the ways that love itself alters and matures as we grow older Organized around the distinct and often surprising themes that emerged from Gold's conversations with lovers from all walks of life love suddenly appearing out of the shadows following a determination to find it at whatever cost second act relationships that represent 180 degree turns for the parties involved a sense of finally coming home to the one you were meant to be with in the final stages of life Love in the Second Act will remind anyone young or old that the quest for love is never ending
