The Software Encyclopedia ,1988 גוטמן ג. לוקס Gutman G. Locks,1985 The study of gematria the hidden meaning of Hebrew words based on the numerical value of the letters has been called the spice of Torah This reference volume lists each and every word of the Pentateuch in Hebrew with its English translation according to its gematria enabling anybody to explore the possibilities inherent in this fascinating methodology of Torah interpretation *Gematria* Gutman G. Locks, *Gematria Azer - A Taste of Torah from Exodus* Akiva Gamliel Belk,2014-03-06 What is Gematria The word Gematria is a Greek word that comes from geometry which is a branch of mathematics Watch a Video about Gematria <https://www.facebook.com/photo.php?v=10201804737095628> The world thinks of Hebrew Letters and numbers like they think of letters and numbers of their own language The world views Gematria through the eyes of geometry This makes sense to the world And those of us who are Jewish can see how and why the world views Gematria from this position HOWEVER and I MUST emphasize Gematria is not the correct term for understanding The Letters and Numbers of Hebrew The correct term is Oht meaning A Sign A marvel A Symbol Yet even Oht does not express the entire meaning Hebrew Letters and Numbers are also a Mystical form of revelation Hebrew Letters and Numbers provide us with Spiritual revelation Hebrew Letters and Numbers have the power of opening avenues that are new to us When I use the term Gematria this term does not explain or reveal the true meaning or intent of the Spiritual Revelations hidden in Hebrew Letters and Numbers Hebrew is the original language of the universe The Lord God Created the Universe with ten utterances spoken from the Hebrew language Hebrew is separated from all other languages of the world We call It Loshon Kodesh the Holy Language Within the pages of this book are Spiritual Revelations that can help us This Mystical Phenomena is exclusive to The Words of Ha Torah Our Creator Instructed Moshe to place The Letter Tav in front of certain HEBREW WORDS that He Desired to change the Numerical Calculation on and to Give the reader a Sign The purpose for Giving a Sign is to indicate that this is a good place to spend time studying There is a hidden Revelation here Geometry and mathematical calculations and translations do not reveal what is in Loshon Kodesh Only experienced individuals who have walked these paths look for these special Mystical signs in the Hebrew Text of The Hebrew Scriptures This is only one example of the many signs within Loshon Kodesh Lets say for example that the Word emphasized in Hebrew in The Torah by The Letter Tav was Law Mohd meaning to learn When the Letter Tav is placed in front of Law Mohd the meaning of the Word does not change It still means to learn The Gematria relationship changes from being 74 to 474 There is NO WAY for other languages to reflect the Mysticism in the translation Hebrew Letters and Numbers are a Sign and contain many revelations Gematria is only a small portion of what is hidden in the Letters Numbers Words Phrases etc of The Hebrew Language Hebrew Letters and Numbers are NOT numerology Hebrew Letters and Numbers are NOT geometry Please do not be fooled by all the discussions trying to broaden the boundaries of what The Lord God ONLY Established just among The Hebrew Letters and Numbers There are untold
