Ignite the Light Vicki Savini, 2014-05-06 A practical step by step manual for educating, enlightening, and empowering children to be their best selves. In today's society, kids hardly get to enjoy their childhood as they are faced with mounting pressures at school, within their family, and among their peers. Children are overexposed to violence and deprived of lessons on self-love and inner peace, but imagine a world where they are given tools to speak their truth, follow their hearts, and above all, believe in themselves.

You see deep inside every one of us is a light that shines brightly when we are aligned with our higher self our absolute best self When we allow fear to drive our action we dim that light within Yet when we believe in ourselves speak our truth and do what feels right in our hearts we ignite the light and become the best possible version of ourselves Whether you are a parent a teacher a child care worker or just a person who would like to leave this world a little more peaceful than you found it this book will give you the tools to educate enlighten and empower our children to see that they are perfect just as they are Ignite the Light is a practical step by step manual for change that provides tools from which all children and all families will benefit
