Spirit Makes A Man:

The Spirit with Our Spirit Witness Lee, 2025-03-14 The revelation of the Spirit in the Bible points to God's desire to be received, experienced and enjoyed by man. The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God. God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God. Through faith in Christ, our human spirit is born of the Holy Spirit; we are joined to the Lord as one spirit and the Spirit witnesses with our spirit that we are the children of God. In *The Spirit with Our Spirit*, Witness Lee presents a deep, enlightening yet wonderfully practical view of the believer's experience of God in the New Testament. By presenting a complete scriptural view of both the divine Spirit and the human spirit, Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations. Rather, genuine spirituality comes from knowing the Spirit who is with our human spirit. God's desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit. *The Spirit with Our Spirit* is an invaluable guide in this learning process.

Knowing The Spirit Eastwood Anaba, 2012 This is the first book in the series entitled *The Spirit*. The subtitle of this book is *Knowing the Spirit*. In this book and the subsequent ones in the series, I will apply John 6:63 to some aspects of Jesus' victorious life on earth. The verse reveals the secret behind Jesus' Miracle and the claims He made about His deity. In order for the Holy Ghost to play an active role in our lives, we must know Him in the same way Jesus knew Him. I have a strong feeling in my Spirit that the next few years will be characterised by conspicuous activities of the Holy Ghost. The flesh has dominated believers for a long time and the time for the Spirit to take control is now. Believers are largely ignorant of the relationship between Jesus and the Holy Ghost. Those who experience the baptism of the Holy Ghost limit His power to just speaking in other tongues and prophesying. Knowing the Holy Ghost and understanding His ways of operation help us to benefit from His power and glory.

The Spirit of Ultimate Life Uchechukwu K. Ozua, This book *Spirit of Ultimate Life: Man's Soul and Eternity* will enlighten you on the spiritual anthropology of man, though created in the image and after the likeness of God, whether you are white, black or red Indian. We belong to one family in Christ in whom all things consist, provided we believe in Him. Again, we are of three categories and it is by these categories that everyone will stand naked before the judgment seat of God: the natural man, the carnal man and the spiritual man.

The Spiritual Man Watchman Nee, 1998 An intriguing exploration of the great transition between life and the after life.

Receiver, Bearer, and Giver of God's Spirit Leopoldo A. Sanchez,2015-03-27 What difference does the Spirit make in the life of Jesus and in our lives Answering that question without doing away with the divine dignity of Christ has been a challenge in the distant and recent past But this need not be the case The current work is a contribution to the growing field of Spirit Christology which seeks to enrich the classic Logos Christology of the ecumenical Councils with a Spirit oriented trajectory Sanchez tests the productivity of a Spirit Christology as a theological lens for assessing the main events of Jesus life and mission accounts of the atonement the significance of the incarnation the concepts of person and relation and models of the Trinity Seeing Christ as the privileged locus of the Spirit also has implications for the church s life in the Spirit Sanchez shows how a Spirit Christology fosters Christian practices such as proclamation prayer and sanctification Among the highlights of this work the reader will note the author s assessment of early church fathers readings of the place of the Spirit in the anointing of Jesus a constructive proposal towards the complementarity of Logos and Spirit Christologies ecumenical engagement with various theological traditions in the East and the West and the first constructive assessment of the field informed by the Lutheran tradition
