

A close-up, shallow depth-of-field photograph of a woman in the foreground, her eyes closed in a meditative state. She has blonde hair and is wearing a purple choker and a light green halter top. Her hands are clasped in a prayer position near her chest. In the blurred background, a man with dark hair and a beard, wearing a white shirt, is also looking forward. The background is a soft-focus green, suggesting an outdoor setting.

Spiritual Marriage: The Curse of Illicit Sexual Union Ebenezer Gyasi, 2018-07-17 There are certain spiritual truths you should know before you start dating having sex or start thinking about marriage Ignorance of spiritual matters may become a source of problems for you and your descendants Currently our sexuality is under tremendous attack Spiritual marriages to demonic entities have become a source of hidden problems in our relationships Nothing in this world happens by chance Not with God nor the devil In the realm of the spirit there are no accidents People who allow events in their lives to pass without connecting them to spiritual issues not only don't understand what is happening to them they also can't do anything to change their world This manual along with the companion books *Killing Me Softly* *Dad And Mom Pray For Me* *Prepare The Way* will help and equip you to trample and overcome evil enforcers assigned to steal kill destroy or truncate your destiny and that of loved ones your marriage your family and your home in the mighty name of Jesus Amen

Deliverance From Evil Spiritual Marriages

Godspower Elishason, 2015-02-09 It is abundantly clear that many are suffering from what they know not They beat about the bush to unravel the causes of their misfortunes Their search being misdirected leads them deeper down the dark tunnels of sorrow Many are suffering by reason of their own errors and disobedience Some are ensnared for partaking of accursed booties Still others suffer from ignorance or by association with cursed lineage and family background In short the reasons why people suffer are numerous But bless God that by divine destiny you are here to get a copy of my book that will show you how you can avoid the path of misery Or if you are already ensnared how you can obtain your total deliverance and put a permanent end to the recurring decimal of woes in your life This book on Deliverance From Evil Spiritual Marriage will show you practical guide lines on how to walk out of your troubles This book will surely transform your life Amen This is your hour of liberty The Lord desires us to look deeply about the issue of evil spiritual marriages Because this is one area where a lot of people are suffering without any tangible explanation This has kept a lot of people in a state of confusion and uncertainty The truth you need to know is that the supernatural world is as real as the physical world Whatever happens in the spirit world affects us in the physical realm in our day to day life The spirit is more powerful than the physical Whether you are ignorant of it is not an excuse after all there

is a saying that goes that the ignorance of the law is not an excuse A lot are just beating about the bush without knowing the cause of their calamities and misfortunes The key to unraveling this hidden mystery in our lives is to go to our root that s our foundation Because your present problem may have a demonic spiritual undertone If you must live a successful prosperous life then we must deal with some curses hidden covenants and breaking some demonic linkages From personal discovery as per my experience in the deliverance ministry I have discovered that out every ten people in the street most especially females seven are involved in one form of evil spiritual marriages or the other Beloved evil spiritual marriage is so complex and discomfoting but with God there is a way out So friends let us journey together into the realm of the supernatural to unravel this mystery of iniquity So through this book we are going to address how you can be thoroughly get total freedom

Wisdom and Spiritual Transcendence at Corinth Richard A. Horsley,2008-01-01 Examining each of the major sections of 1 Corinthians Horsley probes the disagreement Paul had with those claiming special spiritual status The conflicts over what constitute wisdom knowledge and spirituality cut to the core of what Paul was trying to accomplish in his communities Horsley moves the debate from the history of religions background to the Hellenistic Jewish religiosity of the Wisdom of Solomon and Philo of Alexandria

Paul on Marriage and Celibacy Will Deming,2004 Paul is traditionally seen as one of the founders of Christian sexual asceticism As early as the second century C E church leaders looked to him as a model for their lives of abstinence But is this a correct reading of Paul What exactly did Paul teach on the subjects of marriage and celibacy Will Deming here answers these questions By placing Paul s statements on marriage and celibacy against the backdrop of ancient Hellenistic society Deming constructs a coherent picture of Paul s views According to Deming the conceptual world in which Paul lived and wrote had substantially vanished by 100 C E and terms like sin body sex and holiness began to acquire moral implications quite unlike those Paul knew Paul conceived of marriage as a social obligation that had the potential of distracting Christians from Christ For him celibacy was the single life free from such distraction not a life of saintly denial Sex in turn was natural and not sinful and sex within marriage was both proper and necessary Superbly researched and reasoned this book corrects misinterpretations of Paul and restores him to his proper place in the history of Christian thought on marriage and sexuality

Mystic in the New World Anya Mali,1996 In contrast to studies which portray Marie de l Incarnation as a stellar representative of Catholic tradition and against the scholarly trend in mysticism studies which assumes that mystical writing follows typical patterns this book focuses on the mystic s fascinating encounter with the natives of New France and its enormous impact on her spiritual self image
