Spiritual Mentoring Keith R. Anderson, Randy D. Reese, 1999 Iron sharpens iron and one person sharpens another Proverbs 27 17 As we seek God together we come to know him more deeply That s the idea behind Spiritual Mentoring Spiritual mentoring is an ages old practice that Keith Anderson and Randy Reese introduce in a way that fits life as we know it today Spiritual mentoring is not only for pastors or saints Mentors are ordinary Christians who are willing to enter into a faith relationship with another person who wants to grow Likewise those who are mentored are not seminary candidates but simply followers of Jesus who long for guidance in their spiritual journey In this book Anderson and Reese show you how to mentor and be mentored as they introduce chapter by chapter the work of a different classical spiritual writer including Augustine Aelred of Rievaulx John of the Cross Julian of Norwich Ignatius of Loyola Teresa of Avila Madame Jeanne Guyon These writers offer timeless insights from centuries past while Anderson and Reese help you put their teaching into practice today to grow closer to Jesus in the company of another believer If you want to learn how to help younger Christians grow while stretching your own faith or if you want to tap into the experience of a Christian friend who is farther along the road of faith this is the book that will get you started

The Spirituality of Paul Leslie Hardin, 2016 The traditional venues for making sense of the complicated apostle Paul are history and theology Indeed one cannot understand him apart from either However something is still missing from our portrait of Paul Rather than thinking of Paul as a theologian and an apostle Leslie Hardin argues there is great benefit in approaching him as a disciple a Spirit filled man who wanted to pass vibrant spirituality on to those he encountered In *The Spirituality of Paul* Hardin uncovers the things Paul practiced in his own life and those he taught his followers in order to attempt to live an authentic Spirit filled Christian life Hardin points out that in order to foster the power of the Spirit Paul like each of us had to dedicate himself to everyday routines and practices What were those spiritual disciplines How did they help him And how might they be applied in our modern lives to bring us closer to Christ Whether a general reader or mature believer the reader of this book will find Paul to be a true brother a fellow sinner receiving grace
