Spiritual Exercises:

Dynamics of the Spiritual Exercises Paul Christian Kiti, 2005 **God Finds Us** Jim Manney, 2013-01-01 In *God Finds Us* author Jim Manney makes the Spiritual Exercises more accessible than ever by revealing his inner monologue of thoughts while he did the Exercises and giving everyday relevant examples of sin discernment and meditating on the love of God In his previous book *A Simple Life Changing Prayer* Manney presented the daily Examen to readers in a way that made them feel empowered to make it a part of their regular prayer life Now he offers *God Finds Us* to share his experiences of making the Spiritual Exercises in a down to earth accessible narrative Manney includes pertinent biblical examples that help us make the connections between how we pray view sin and make appropriate life decisions today **The Spiritual Exercises of St. Ignatius** Saint Ignatius (of Loyola), Louis J. Puhl, 1951 **Sacred Listening** James L. Wakefield, 2006-08-01 A profound call to Christian discipleship An intensive course in Christian faith A creative freedom to serve God that is deeply grounded in Scripture These are ways to describe *Sacred Listening* James L Wakefield's adaptation of the classic *Spiritual Exercises of Ignatius Loyola* Central to the Society of Jesus Jesuits the *Spiritual Exercises* is a manual used to direct a month long spiritual retreat Now adapting these time honored Exercises specifically for Protestant Christians James L Wakefield encourages readers to integrate their secular goals with their religious beliefs and helps them reflect on the life of Jesus as a model for their own discipleship Combining scholarship with classic forms of spirituality *Sacred Listening* will interest church leaders and lay Christians who want to deepen their faith **Stretched for Greater Glory** George A. Aschenbrenner, 2004 The joy and freedom to be found in the Ignatian exercises comes to life in this book by George A Aschenbrenner SJ While many scholarly books and commentaries have explored the *Spiritual Exercises of St Ignatius* Aschenbrenner introduces readers to the dynamics that are at the heart of these Ignatian exercises in *Stretched for Greater Glory* His straightforward commentary and vast knowledge make this book appropriate for both the novice spiritual seeker and the experienced spiritual director For further information on Ignatian Spirituality please visit our sister site www.IgnatianSpirituality.com **Christian Spirituality for Seekers** Roger Haight, 2012 The *Spiritual Exercises of Ignatius Loyola* composed in the 16th century consist of a sequence of meditations on the life of Jesus aimed at promoting spiritual depth and discernment about how to live In this work Haight has set out to open this classic work to an audience encompassing all spiritual seekers **The Spiritual Exercises of St. Ignatius of Loyola** St. Ignatius of Loyola, 2020-09-28 **A New Introduction to the Spiritual Exercises of St. Ignatius** John E. Dister, 2003-06-20 Although oriented primarily to those less familiar with them this book offers fresh insights for those experienced in the *Spiritual exercises* It includes explanations of their dynamics and correlations between the events of Ignatius conversion experiences and certain aspects of the Exercises The meditations on the Kingdom and the Two Standards are viewed from the vantage of contemporary culture Thus the medieval model of the lord vassal relationship and the male dominated imagery are illuminated with the help of insights from Jung Deeper psychological insight into dying

to self in our attachments and desires is linked to our contemplations on the suffering and death of Jesus The suitability for lay people to make the Exercises is suggested in their adaptation to an open setting of daily life Finally a developing personal encounter with Christ in the present is delineated as central to Ignatian spirituality
