Spiritual Expressions of the Heart Sherred Ann Johnson Thomas, 2006-01-01 Tired of reading stacks of books on Attention Deficit Disorder that are dull and can put you right to sleep This fictional adult story will keep you wide awake on edge and revved up to read more from all the action taking place in this two part novel Marley Hutton s child to woman character carries the series of events exceptionally well as the story flows naturally between her adversities of Attention Deficit Disorder rape an abusive relationship abortion and suicide Marley is not only a disgrace to her own family but is considered a nuisance to teachers and co workers and is guilty of being a nonperformer compared to the general population A sweet intervention turns Marley s mishap days into glory days Comments are welcomed at DearMarley msn com Teachings from the Heart S. L. Waldie, 2012-12-29 This second book Teachings From The Heart A Continuing Journey takes off where the first one left off Although the dates may only reflect coverage of 2008 there is information within that has been gathered for the past four years through inspiration and channeled sessions It will bring you up to date on many of the Teachings that not only began in book one but new ones as well This journey takes you from the understanding of who you are Spirit to living that understanding in your daily life These Teachings are received from and inspired by two very loving and highly evolved beings You cannot help but be enlightened by all they bring If these Teachings are incorporated into our daily lives we will no doubt be greatly blessed There is so much that we are given to enable us to truly create our own journey during this human experience It is as always your choice whether to listen or not All this may at first seem hard to believe but once you open your heart to these Teachings you will find yourself forever changed So here we go with TEACHINGS FROM THE HEART A CONTINUING JOURNEY Manna - J.C.
