Lifestyle Fitting Heaven Kancho Georgiev, 2016-11-30 The aim of Lifestyle Fitting Heaven is a thorough survey of each subject introduced in the Teaching on the Mount with the intent for a deeper understanding of Jesus' clear cut demand of how a Christian life should be conducted Although exceedingly profound His precepts are astoundingly comprehensible and accessible because they are not designed for the wise and learned but for the little children who are innocent in heart and eager to embrace and comply with them Yet their tone is not mawkish but didactic admonitory guiding liberating and most notably propitious for it puts all in eternal blissful perspective provided we are on the right track The author very much hopes that by the grace of God this book will be edifying to a great number of people who hate the dreariness of shallow religiosity and have determined to disciple and prepare their souls for the eternal approval of God
