Spirituality Of Perfection Faith In Action In The Letter Of James:

A Spirituality of Perfection Patrick J. Hartin, 1999 Throughout this century the Letter of James has been viewed consistently as a disjointed set of instructions Father Hartin deviates radically from this approach He shows that the call for perfection provides a unifying meaning for the letter Examining the concept of perfection against the background of the Greco Roman world the Old Testament and the Septuagint the author shows that perfection provides a key to define the spirituality of the Letter of James It offers an understanding of God and of the way one is called to be in the world Hartin adopts a fresh approach toward understanding the categories of wisdom eschatology and apocalyptic as they illuminate the letter s advice *An African Commentary on the Letter of James* J. Ayodeji Adewuya, 2023-01-19 Africa is a necessary but an often neglected continent So also is the letter of James necessary but neglected Yet there is perhaps no biblical text that speaks to the life situation in Africa in the twenty first century more directly than the book of James An African Commentary on the Letter of James is an attempt to hear the message of James s letter from a non Western social and cultural setting It seeks to demonstrate how one s worldview language culture economic status and religion make a significant difference in appropriating the message of the biblical text The commentary explores how the written word impacts the readers in a predominantly oral culture It attempts to hear what James is saying from a different context but in doing so explains James with a different voice Like the letter of James itself the commentary uses pithy sayings proverbs and aphorisms to explain the meaning of the text **Sacra Pagina: James** Patrick J. Hartin, 2016-03-16 In his commentary on the letter of James Hartin offers a unique approach toward understanding a much neglected writing Refusing to read the letter of James through the lens of Paul Hartin approaches the letter in its own right He takes seriously the address to the twelve tribes in the Dispersion 1 1 as directed to Jews who had embraced the message of Jesus and were living outside their homeland Israel At the same time Hartin shows how this letter remains true to Jesus heritage Using recent studies on rhetorical culture Hartin illustrates how James takes Jesus sayings and performs them again in his own way to speak to the hearers readers of his own world Hartin examines the text passage by passage while providing essential notes and an extensive explanation of the theological meaning of each passage The value of this commentary lies in its breadth of scholarship and its empathic approach to this writing The reader will discover new and refreshing insights into the world of early Christianity as well as a teaching that is of perennial significance Patrick J Hartin was born and raised in Johannesburg South Africa He studied at the Gregorian University in Rome and is an ordained priest of the Diocese of Spokane Washington He holds two doctorates in Theology in Ethics and in the New Testament both from the University of South Africa Presently he teaches courses in the New Testament and in Classical Civilizations at Gonzaga University He is the author of eleven books including Apollos Paul s Social Network series James of Jerusalem Interfaces series and James First Peter Jude Second Peter New Collegeville Bible Commentary series all published by Liturgical Press **Spirituality of the Gospels** Patrick J. Hartin, 2025-01-15 Within

each of the four gospels there is a foundational spirit a rich spirituality based on each gospel's unique understanding of Jesus and what it means to be his disciple In this study Fr Patrick Hartin looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero Hartin's twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision Commentary study and reflection questions prayers and access to online lectures are included 6 lessons **Spirituality of the Gospels** Patrick J.

Foster, 2014-09-23 What was the function of the four characters from Jewish history and tradition in the Letter of James Robert J Foster analyses James use of these characters and argues that despite each of them being tested to the extreme they all remained wholly committed to God

Lament in the Letter of James Grant Flynn, 2025-08-14 In Lament in the Letter of James Grant Flynn presents the first book length study of lament in James After exploring the contours and development of Old Testament lament Flynn examines the lament material in James including a reference to an act of lament allusions to Old Testament laments and exhortations to lament The author then proposes that the choice to use Job as a model of perseverance implies that Job's lament shaped perseverance informs James's understanding of the virtue By rereading the epistle's opening call to consider trials as pure joy with this Joban perseverance in mind Flynn concludes that James envisions an ongoing cycle of lament and joy that reflects both the pain of human suffering and the hope of eschatological perfection **The Letter of James** John Paul Heil, 2012-04-01 This book proposes a new and comprehensive chiasmic structure as well as a new unifying theme for the Letter of James In accord with this structure that organizes its oral performance the words worship to live by express what the letter as a whole is exhorting its audience to adopt Worship includes not only liturgical worship but also the ethical behavior that complements it so that the result is a holistic way of worshipping God And the words to live by embrace the worshipful conduct by which to live out presently one's birth to a new life as a believer before the final coming of the Lord Jesus Christ with a view to the future eternal life to be granted at the last judgment as the outcome of such worship In short

the Letter of James urges its audience to practice the worship to live by now in order to live eternally **In the Name of Jesus** Graham H. Twelftree, 2007-10-01 To many in the church in the West exorcism seems like the stuff of movies It requires acceptance of the premise that evil spirits exist and can invade control and impair the health of an individual and that the individual can in turn be cured through someone forcing the evil spirits to leave For the vast majority of biblical scholars asserts Graham H Twelftree this is tantamount to believing in such entities as elves dragons or a flat earth But for Christians throughout the world especially the developing world exorcism is an important part of the freedom that can be had through faith In the Name of Jesus is the only book that explores this common part of ministry in the early church This reliable and historical discussion provides church leaders Bible students pastors and scholars with an intriguing and unique resource
