Religion, Finding Your Faith Brett Hoover, 1998 In this lively challenging book Brett Hoover says that the typical young adult
loss of faith is a necessary part of maturing spirituality faith can grow only when religion is doubted lost and found again in a
new light Using the metaphor of a road trip Hoover describes the lifelong process of discovering both God and self Losing
your religion is just one necessary obstacle on the road to a holistic spirituality *Mere Catholicism* John F. Fink, 2013-07-23
C S Lewis s masterpiece of Christian apologetics Mere Christianity was about Christianity in general carefully refraining
from teaching the doctrine of any particular denomination Mere Catholicism explains specifically what Catholics believe and
practice Meant for both Catholics who want a better understanding of their faith and non Catholics who are curious about
what the Catholic Church teaches and why the book presents the basic doctrines that Catholics believe and the basic
devotions that they practice It is not a catechism but is written in a popular style **God Without Religion** Sankara
Saranam, 2016-01-05 Since Sankara Saranam s groundbreaking book God Without Religion was released 10 years ago
thousands have been enlightened by his teachings and revelations Now in this special 10 year anniversary edition Sankara
returns with new insights and a renewed message of spiritual guidance and inspiration Disillusioned with organized religion
millions of people turn to secular humanism neo atheism New Age thinking Eastern religious practices and mysticism while
others retreat from spirituality altogether A more satisfying and transformative option is to embark on a quest to discover

what is real to you Using time tested tools of investigation into your own sense of self you can examine your present beliefs explore the nature of reality and ultimately expand your identity and awareness God Without Religion introduces this age old approach to self inquiry for today s readers Step by step it offers a bridge between organized religion and self realization for anyone questioning traditional dogma or its legacy of divisiveness It also assists in overcoming limitations and notions of exclusivity promoted by modern day movements Included are 17 universal techniques for developing a personal understanding of the underlying substance of existence and broadening your view of yourself others and all of life This updated edition includes new details about Sankara s personal experiences with each technique These highly relatable new passages will help you connect with each concept in a personal way so that you can discover or rediscover your own spiritual path to clarity

Ecology, Ethics, and Interdependence Dunne D. John,Daniel Goleman,2018-10-23 Powerful conversations between His Holiness the Dalai Lama and leading scientists on the most pressing issue of our time Engage with leading scientists academics ethicists and activists as well as His Holiness the Dalai Lama and His Holiness the Karmapa who gathered in Dharamsala India for the twenty third Mind and Life conference to discuss arguably the most urgent questions facing humanity today What is happening to our planet What can we do about it How do we balance the concerns of people against the rights of animals and against the needs of an ecosystem What is the most skillful way to enact change And how do we fight on even when our efforts seem to bear no fruit Inspiring edifying and transformative this should be required reading for any citizen of the world

Living Beyond Belief: The God of No Religion N.B. Singh, Living Beyond Belief The God of No Religion explores spirituality beyond traditional religious confines advocating for a personal connection with the divine that transcends dogma Through introspective reflections and philosophical insights the book invites readers to embrace a liberated and inclusive approach to spirituality emphasizing the universal essence of human connection and the limitless potential for personal growth outside the boundaries of organized religion

The Lost Art of Being Happy Tony Wilkinson,2012-06-01 Arguing that spirituality is not about religion but about living happily this guidebook offers advice on

the skills of the inner life the mind and emotions that are needed for a life of gladness This examination discusses the requirements for happiness explores their nature and shows that mastering a set of five of them leads to bliss The exercises in this resource are offered to spiritual seekers as a path towards happiness and emphasize that personal elation is not caused by external events but by mastering the skills of the inner life **Stay Calm and Content** Cat Williams, 2012-10-12

Are you sometimes stressed anxious or emotional Do you ever feel something is missing even when you think you should be happy Are there people with whom you dont get on well but wish you did Have you ever wondered why you behave a certain way do or dont do certain things or have done something you now regret This is not a typical self help book because self help books are usually read by people who think they have a problem to solve This book is for everyone Using straightforward jargon free language it discusses many of the difficult issues of life most of which are likely to affect us or someone we know at one time or another It includes short discussions of stress relationships love affairs work parenting sibling rivalry motherhood divorce weddings Christmas teenagers arguments criticism depression communication childhood bullying chronic pain self harm addiction suicide bereavement kindness abuse the battle of the sexes and more People who can stay calm and content no matter what life throws at them all have similar thoughts and attributes which can be learnt by anyone The central theme of this book is self esteem and how it is affected every day by our circumstances and the people we come across We are usually unaware that it is our self esteem that drives our emotions thoughts and actions The authors clients suggested this book be written so anyone could learn how to stay calm and content no matter what life throws at them Personal stories highlight how you can control or change how you feel about yourself and how you can positively influence your life and the lives of everyone around you
