From Legalism to Freedom Dallas R. Burdette, 2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is Where the Scriptures Speak One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11-12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God's righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8-15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God's children Chapter 1-2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty-eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

The Poisoned Chalice Jennifer L. Woodruff Tait, 2011-02-28 Examines the

introduction of grape juice into the celebration of Holy Communion in the late 19th century Methodist Episcopal Church and reveals how a 1 800 year old practice of using fermented communion wine became theologically incomprehensible in a mere forty years This work examines the introduction of grape juice into the celebration of Holy Communion in the late 19th century Methodist Episcopal Church and reveals how a 1 800 year old practice of using fermented communion wine became theologically incomprehensible in a mere forty years Through study of denominational publications influential exegetical works popular fiction and songs and didactic moral literature Jennifer Woodruff Tait charts the development of opposing symbolic associations for wine and grape juice She argues that 19th century Methodists steeped in Baconian models of science and operating from epistemological presuppositions dictated by common sense realism placed a premium on the ability to perceive reality accurately in order to act morally They therefore rejected any action or substance that dulled or confused the senses in addition to alcohol this included bad books the theatre stimulants etc which were all seen as unleashing unchecked ungovernable thoughts and passions incompatible with true religion This outlook informed Methodist opposition to many popular amusements and behaviors and they decided to place on the communion table a substance scientifically and theologically pure Grape juice was considered holy because it did not cloud the mind and new techniques developed by Methodist laymen Thomas and Charles Welch permitted the safe bottling and shipment of the unfermented juice Although Methodists were not the only religious group to oppose communion wine the experience of this broadly based and numerous denomination illuminates similar beliefs and actions by other groups

Is It Wine Or Is It Grape Juice?

Ron McRay, 2015-05-22 Is the drink of the Lord's Supper or communion as it is often referred as today supposed to be fermented wine or grape juice Does it even matter As strongly as one denomination believes it should be the fermented fruit of the vine another denomination will be adamant that it should be grape juice or new wine as some call it Which one is right or are any of them right Following biblical principles Ron McRay takes a logical look at this issue with an open mind In his companion book *The Lord's Supper* Ron McRay looked at the reasons and the rituals of the supper itself In this book he takes an in depth look at the single element of the drink its symbolism and substance Does the Bible clearly state what the drink should consist of Is it an important issue or is it the event itself that should bear our attention What did Christ have to say about it If you are the least bit curious and have a desire to know more you will find this to be an interesting topic of study The magnificence and knowledge of God is often most noticeable in the little details *Is It Wine Or Is It Grape Juice* is an example hereby having a more complete understanding can reveal just how important those details can be

Grape Juice in the Bible: God's Blessing for His People!

Richard Teachout, 2011-09-07 *Grape Juice in the Bible* presents a strong case for the fact that Israel in Bible times had fresh grape juice as a healthy beverage It also shows God's disapproval of alcoholic beverages for His people and details the great change in the approval of alcohol among Christians through the last 200 years in America The reason for this book is clearly presented by a recent blog aletheiabaptistministries.org It would be an uphill

battle merely to advocate moderation in drinking as many conservatives do but to come to a conclusion that total abstinence is a Biblical mandate would place one immediately in the backwater of Christian social fellowships But that is just the conclusion I ve come to not just because I find it the overwhelming norm of Christian history or because the statistics on drinking grow increasingly alarming but because I ve become convinced that this is the only consistent biblical teaching

What Was in the Cup? Apostle Larry Tyrone Owens, Evangelist Bubinea Deborah Owens, 2025-08 What Was in the Cup will help you get a clearer understanding of what Christ was instructing his disciples at the Last Supper We must know that Jesus always spoke in parables throughout his ministry which in turn would help us understand the spiritual significance of his teachings Throughout the Christian world there have been and still are a variety of interpretations on this subject For those who use wine for communion a question should arise among the believers Why would God use an element or substance that he spoke of in a derogatory manner as harmful to the soul and was also forbidden to partake of when entering into the holy place to represent his life I thank God for revealing his truth This book will help unfold the mystery of what really was in the cup that would bring remembrance of his death and suffering The scripture says If any of you lack wisdom let him ask of God that giveth to all men liberally and upbraideth not and it shall be given him We know that many left Jesus because they didn t understand the spiritual significance of his words such as Eat my flesh and Drink my blood They interpreted his words literally and not spiritually So many follow tradition rather than searching for truth Thank God for revealing the truth and understanding of his Word *Wine Or Grape Juice* Davis W. Huckabee, 1970
