Split Stories From A Generation Raised On Divorce:

Split Ava Chin, 2002 Essays reflect life in homes with divorced parents discussing familiar issues such as emotional unavailability on behalf of parents living with step parents and adapting to a new lifestyle after a divorce The Children of Divorce Andrew Root, 2010-08 A recognized authority on youth ministry explores from a theological and spiritual standpoint the baffling sense of loss of self experienced by children of divorce Not Your Mother's Divorce Kay Moffett, Sarah Touborg, 2010-03-24 No matter what your age divorce is one of life's greatest challenges But while your parents friends and lawyers may be chock full of advice the truth is that young women who divorce today face a brand new set of issues and possibilities far removed from those of women a generation before If you're looking for a fresh empowering and thoroughly modern guide to starting this new chapter of your life Not Your Mother's Divorce offers the ultimate roadmap from wading through legal jargon to getting back into society as told by your best girlfriends who've been there Based on the experiences of more than thirty women who divorced in their twenties and thirties without children Not Your Mother's Divorce offers camaraderie and practical counsel on Breaking the news to family and friends Coping with sudden singledom from living arrangements to changing your name Protecting yourself financially and dividing your assets Legalese 101 making the legal process work for you Reentering the dating scene How to handle encounters with your ex Warm and insightful Not Your Mother's Divorce gives you the tools to find your way through this difficult time and emerge a stronger wiser happier you

The Children of Divorce (Youth, Family, and Culture) Andrew Root, 2010-08-01 Why does divorce cause so much strain and long term distress for children of all ages Andrew Root a recognized authority on youth ministry and a child of divorce himself explains that divorce causes children to question their core identity Since a child is the product of the union of a mother and father when that union ends he or she experiences a baffling sense of loss of self a loss of his or her very sense of being Root redirects efforts for assisting children of divorce to first address this fundamental experience This unique book examines the impact of divorce not only from a theological and spiritual perspective but also from a young person's perspective It will benefit those who have experienced divorce and those who minister to children of divorce **Between Two Worlds** Elizabeth Marquardt, 2006-09-26 Is there really such a thing as a good divorce Determined to uncover the truth Elizabeth Marquardt herself a child of divorce conducted with Professor Norval Glenn a pioneering national study of children of divorce surveying 1 500 young adults from both divorced and intact families between 2001 and 2003 In Between Two Worlds she weaves the findings of that study together with powerful unsentimental stories of the childhoods of young people from divorced families The hard truth she says is that while divorce is sometimes necessary even amicable divorces sow lasting inner conflict in the lives of children When a family breaks in two children who stay in touch with both parents must travel between two worlds trying alone to reconcile their parents often strikingly different beliefs values and ways of living Authoritative beautifully written and alive with the voices of men and women whose lives were changed by divorce

Marquardt's book is essential reading for anyone who grew up between two worlds. Makes a persuasive case against the culture of casual divorce. Washington Post. A poignant narrative of her own experience. Marquardt says she and other young adults who grew up in the divorce explosion of the 1970s and 1980s are still dealing with wounds that they could never talk about with their parents. Chicago Tribune. **Asian American Literature** Keith Lawrence, 2021-08-25. Asian American Literature. An Encyclopedia for Students is an invaluable resource for students curious to know more about Asian North American writers, texts, and the issues and drives that motivate their writing. This volume collects in one place a breadth of information about Asian American literary and cultural history as well as the authors and texts that best define it. A dozen contextual essays introduce fundamental elements or subcategories of Asian American literature, expanding on social and literary concerns or tensions that are familiar and relevant. Essays include the origins and development of the term Asian American, overviews of Asian American and Asian Canadian social and literary histories, essays on Asian American identity, gender issues and sexuality, and discussions of Asian American rhetoric and children's literature. More than 120 alphabetical entries round out the volume and cover important Asian North American authors. Historical information is presented in clear and engaging ways, and author entries emphasize biographical or textual details that are significant to contemporary young adults. Special attention has been given to pioneering authors from the late 19th century through the early 1970s and to influential or well-known contemporary authors, especially those likely to be studied in high school or university classrooms.

How to Sleep Alone in a King-Size Bed Theo Pauline Nestor, 2009-02-03. I feel like I've joined an enormous club, something like the Veterans of Foreign Wars. We are weary with battle fatigue and sometimes even gripped by nostalgia for the good old bad old days, but our numbers are large, writes Theo Pauline Nestor in this wry, fiercely honest chronicle of life after divorce. Less than an hour after confronting her husband over his massive gambling losses, Theo banishes him from their home forever. With two young daughters to support and her life as a stay-at-home mother at an abrupt end, Nestor finds herself slipping from middle-class grace as she attends a court-ordered custody class, stumbles through job interviews, and much to her surprise falls in love once again. As Theo rebuilds her life and recovers her sense of self, she's forced to confront her own family's legacy of divorce. I'm from a long line of stock market speculators, artists of unmarketable talents, and alcoholics, writes Nestor. The higher, harder road is not our road. We move, we divorce, we drink, or we disappear. Nestor's journey takes her deep into her family's past to a tiny village in Mexico where she discovers the truth about how her sister ended up living in a convent there after their parents divorced in the early sixties. What she learns ultimately brings her closer to understanding her own divorce and its impact on her two daughters. I knew from experience that for children, divorce means half the world is constantly eclipsed. When you're with one parent, the other must always slip out of view. Nestor writes. Funny, openhearted, and brave, How to Sleep Alone in a King-Size Bed will speak to anyone who has passed through the halls of divorce court or risked tenderness after loss. It marks the debut of an enchanting, deeply truthful voice. **Helping Those**

Experiencing Loss Robert J. Grover Professor Emeritus, Susan G. Fowler, 2011-07-13 This book provides a guide for grieving youth and adults as well as extensive descriptive lists of recommended professional literature resources Grief caused by loss is both a very common human experience and a highly individualized one For example children experience a number of losses that are unique to their young age such as sibling and parent death adoption or divorce and should be given special consideration by professionals and parents helping them in these situations For gay lesbian or cohabiting heterosexual couples that suffer the loss of a partner societal standards often deny the survivors in these relationships the right to grieve Helping Those Experiencing Loss A Guide to Grieving Resources is a book like no other supplying compassionate information for navigating the emotional distress that every man and woman will experience in their lifetime as well as a comprehensive guide to the literature of bereavement and grieving It explains the grieving process interpreting the results of research on the topic in plain language and addressing specific groups children young adults parents who have lost a child adults who have lost spouses and the aging population

Torn Asunder McCarthy, 2017 A timely unsettling of old settled questions surrounding divorce Amid the current nationwide debate over what marriage is this book examines anew the nature and meaning of marriage from the standpoint of what adult children of divorce have actually experienced Upholding the inextricable link between our personal identity and our origin in a union of two and more deeply in the Fatherhood of God the contributors to this volume reflect on the damage that divorce does to children opening up important questions for all of us What does it mean to be human What does it mean to love and to marry After decades of talk about the rights of adults to get a divorce and the benefits for children of an amicable split between parents a so called good divorce these authors theologians philosophers political scientists lawyers psychologists sociologists and cultural critics effectively unsettle conventional opinion

Generation Ex Jen Abbas, 2004 In this book for adult children of divorce Abbas helps them to understand the gives them the tools to create a dramatically different legacy
