Templeton Plan:

The Templeton Plan : 21 Steps To Personal Success ,1992 Templeton Plan Sir John Templeton,2013-04-09 Sir John Templeton 1912 2008 the Wall Street legend who has been described as arguably the greatest global stock picker of the twentieth century clearly knew what it took to be successful The most important thing he observed was to have strong convictions that guided your life this was the common denominator he saw in all successful people and enterprises Fortunately for us he was eager to share his own blueprint for personal success and happiness with the rest of the world In The Templeton Plan he laid out the twenty one guiding principles by which he governed both his professional and personal life These principles were grounded in virtues that he considered important enough to be considered the laws of life they include honesty perseverance thrift enthusiasm humility and altruism From this moral foundation Templeton formulated a step by step plan to help improve anyone s personal and professional life Among the steps he enumerates readers will find Four exercises that will help anyone find the positive in every negative How to be the one person in ten that will productively use more time than they waste The secret trait that separates great workers from good workers How to control your thoughts for effective action The practical applications of a sense of humility How successful people approach risks differently from most people Taken as a whole the lessons contained within his twenty one steps will help readers make lasting friendships reap significant financial rewards and find personal satisfaction Ever a believer in the future s vast potential Templeton hoped that sharing his principles would inspire others to seek their own laws of life formulate their own plans and find success and happiness on a scale exponentially greater than his own He freely admitted that he didn t know everything and that there was yet much to be discovered about prosperity and joy The Templeton Plan not only offers his recipe for success but also shows us the way to formulate our own plans **The Templeton Plan** John M. Templeton,James Ellison,1992-01 The author expounds his basic business principles They include finding the positive in every negative and winning through humility Taken together the steps are intended to help readers make fewer mistakes offer better service and quality of work and live more happily Templeton's Way with Money Alasdair Nairn,Jonathan Davis,2012-03-06 The enduring legacy of a legendary investor Called the greatest stock picker of the century by Money magazine legendary fund manager Sir John Templeton is remembered as one of the world s foremost investors known for his pioneering insights and phenomenal investment performance over a professional career which spanned more than half a century Templeton s Way with Money provides a unique professional 21st century appraisal of what made this formidable investor the success he was and why his methods remain as valid today as they were during his long and successful lifetime Written by two investment experts one of whom worked closely with Sir John for ten years and drawing on previously unpublished documents the book explains in detail how John Templeton s simple but effective investment philosophy of riding out the ups and downs of the market cycle continues to be as relevant as ever for professional and private investors alike Key features include A fresh and

detailed reappraisal drawing on a number of previously unpublished documents of the philosophy which Templeton applied to the two phase of his investment career first as an investment counsel and latterly as the most successful global fund manager of his generation A detailed and original study of the performance of the Templeton Growth Fund demonstrating in detail how Templeton achieved the Holy Grail of investment above average returns with below average risk First hand accounts from former colleagues of their experience in working with Templeton including those of author Alasdair Nairn s ten year career working with and for the investment management organization that was Templeton s life work Proprietary and original research which explains why Templeton s seemingly simple investment philosophy is sure to produce exceptional returns if implemented effectively Current market conditions make Templeton s contrarian investment method of profiting from pessimism particularly relevant today and this book a must read for anyone working with investments
