Tempt The Devil:

Tempt the Devil M. J. Thomas, 2021-10-03 Lost in his thoughts about the possible choices he takes a walk in the human world and happens upon one young woman that is the answer to his question His offer is one of simplicity save her failing business and in return be his date for the wedding He never expected for the deal to last anything more than the few weeks that were ahead of them Then again he never expected to fall in love with her Unloved unwanted Two words that Sarah thought summed up her life Unloved by her parents who favored her sister over her unwanted even after their death Her business is failing despite being a brief walk from one of New York s best tourist attractions Being a failure was never in Sarah s future she was desperate to prove her nasty sister wrong Committing to the deal of a lifetime could cost Sarah so little if she accepts One little walk through the bustling city of New York will alter their lives forever entwining them in ways they never thought possible As the days progress and their love for each other deepen they believe that they are beyond the reach of reality and soon realise that there are some people that would do anything to bring them down All of their plans for the future are now unstable resting upon the edge of a knife
