Tempting Of America:

The Tempting of America Robert H. Bork, 2009-11-24 Judge Bork shares a personal account of the Senate Judiciary Committee's hearing on his nomination as well as his view on politics versus the law In *The Tempting of America* one of our most distinguished legal minds offers a brilliant argument for the wisdom and necessity of interpreting the Constitution according to the original understanding of the Framers and the people for whom it was written Widely hailed as the most important critique of the nation's intellectual climate since *The Closing of the American Mind* *The Tempting of America* illuminates the history of the Supreme Court and the underlying meaning of constitutional controversy Essential to understanding the relationship between values and the law it concludes with a personal account of Judge Bork's chillingly emblematic experiences during the Senate Judiciary Committee's hearing on his Supreme Court nomination *The Tempting of America* Robert H. Bork, 1996-05-01 *Tempting of America* Dalton, 1989-12-01 **Current Law Index**, 1992

America the Possible James Gustave Speth, 2012-09-25 In this third volume of his award winning American Crisis series James Gustave Speth makes his boldest and most ambitious contribution yet He looks unsparingly at the sea of troubles in which the United States now finds itself charts a course through the discouragement and despair commonly felt today and envisions what he calls America the Possible an attractive and plausible future that we can still realize The book identifies a dozen features of the American political economy the country's basic operating system where transformative change is essential It spells out the specific changes that are needed to move toward a new political economy one in which the true priority is to sustain people and planet Supported by a compelling theory of change that explains how system change can come to America the book also presents a vision of political social and economic life in a renewed America Speth envisions a future that will be well worth fighting for In short this is a book about the American future and the strong possibility that we yet have it in ourselves to use our freedom and our democracy in powerful ways to create something fine a reborn America for our children and grandchildren America Ed Chambers, 2009-09-25 In 200 years the United States of America has risen from being a colony of England to become the most prosperous nation in the history of the world What led to this prosperity Was it just our own efforts or was Divine Providence involved Psalm 33:12 promises a nation that honors God would be a blessed nation and America saw this promise come to pass Our Founding Fathers recognized the importance of reliance upon God and wrote this into our Declaration of Independence But over time people change and 21st century America is a much different place So just how well do our efforts apart from God measure up Pastor and financial advisor Ed Chambers takes the reader on a closer look at the financial crisis facing our nation and with prophetic like insight traces the cause back to our spiritual condition as a people He further points out that America might have finally gone too far in its pursuit of mammon and tipped the scales of judgment against our nation If he is right then America is at the crossroads and history will be decided by our actions This is a must read book for anyone concerned about America's future Ed Chambers is the
