[New popular ed.] 1899** James Freeman Clarke, 1899 Meaning and Method in Comparative Theology Catherine Cornille, 2019-04-29 The first systematic overview of the field of comparative theology *Meaning and Method in Comparative Theology* offers a synthesis of and a blueprint for the emerging field of comparative theology It discusses various approaches to the field the impact of religious views of other religions on the way in which comparative theology is conducted and the particularities of comparative theological hermeneutics It also provides an overview of the types of learning and of the importance of comparative theology for traditional confessional theology Though drawing mainly from examples of Christian comparative theology the book presents a methodological framework that may be applied to any religious tradition *Meaning and Method in Comparative Theology* begins with an elaboration on the basic distinction between confessional and meta confessional

approaches to comparative theology The book also identifies and examines six possible types of comparative theological learning and addresses various questions regarding the relationship between comparative and confessional theology Provides a unique and objective look at the field of comparative theology for scholars of religion and theologians who want to understand or situate their work within the broader field Contains methodological questions and approaches that apply to comparative theologians from any religious tradition Recognizes and affirms the diversity within the field while advancing unique perspectives that might be the object of continued discussions among theologians Meaning and Method in Comparative Theology offers an important basis for scholars to position their own work within the broader field of comparative theology and is an essential resource for anyone interested in theology conducted in dialogue with other religious traditions 2021 PROSE Finalist in the Theology Religious Studies category

**The New Comparative Theology** Francis X. Clooney, S.J., 2010-06-03 This book is an extended critical reflection on the state of interreligious dialogue in its modern version While there has been some important writing in the field of comparative theology there has been no extended critical reflection on the state of the discipline in its modern version its strengths and problematic areas as it grows as a serious theological and scholarly discipline This work of young scholars in conversation with one another remedies this lack by as it were taking the discipline apart and putting it back together again The volume seeks to understand how to learn from multiple religions in a way that is truly open to those religions on their own terms while yet being rooted in the tradition s that we bring to our interreligious study
