Ten Lost Years 1939:

Ten Lost Years, 1929-1939 Barry Broadfoot, 2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book They tell them in their own words and the impact is astonishing As page after page of unforgettable stories rolls by it is easy to see why this book sold 300 000 copies and why a successful stage play that ran for years was based on them The stories and the 52 accompanying photographs tell of an extraordinary time One tells how a greedy Maritime landlord ho tried to raise a widow s rent was tarred and gravelled another how rape by the boss was part of a waitress s job Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them or freight trains black with hoboes clinging to them criss crossing the country in search of work or a man stealing a wreath for his own wife s funeral Throughout this portrait of the era before Canada had a social safety net there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times In the end this is an inspiring uplifting book about bravery one you will not forget

Capitalism and Colonialism: The Making of Modern Canada 1890-1960 Bryan D. Palmer, 2025-09-02 This second volume of Bryan Palmer s history of Canada covers 1890 to 1960 Weaving together themes that include business labour politics and social history this account brings the experiences of Indigenous peoples into the centre of the narrative Canada experienced extraordinary growth during these decades notably after the Second World War when many Canadians quickly became far better off Yet vast inequalities persisted Indigenous peoples experienced ongoing and often worsening deprivation and ordinary people saw little or no real improvement in their lives These realities set the stage for the interplay of reform resistance and reaction that followed after 1960 Palmer examines the continuing role of capitalism and colonialism in structuring Canada in the period between 1890 and 1960 from capital s conflicts and fragile ententes with labour to the struggles of Indigenous Peoples and francophone Canada and the changing role of Canadian capital internationally Relying on the work of scholars who have produced a vast academic literature on a wide range of topics in Canadian history Bryan Palmer offers a new history of Canada which reflects the knowledge and values of 21st century Canadians

Joining the Clubs J. Andrew Ross, 2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport Joining the Clubs The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play

by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age **How**

Schools Worked Robert Douglas Gidney, Winnifred Phoebe Joyce Millar, 2012 A richly textured study of educational developments in English speaking Canada from the close of the Victorian Age to the eve of World War II **Doing Oral**

History Donald A. Ritchie, 2003 Contains chapters on the discipline of oral history especially as it relates to public history starting an oral history project including funding staffing equipment processing and legal concerns conducting interviews using oral history in research and writing including publishing videotaping oral history and more *Double Threat* Ellin Bessner, 2019-01-24 He died so Jewry should suffer no more These words on a Canadian Jewish soldier's tombstone in Normandy inspired the author to explore the role of Canadian Jews in the war effort As PM Mackenzie King wrote in 1947 Jewish servicemen faced a double threat they were not only fighting against Fascism but for Jewish survival At the same time they encountered widespread antisemitism and the danger of being identified as Jews if captured Bessner conducted hundreds of interviews and extensive archival research to paint a complex picture of the 17 000 Canadian Jews about 10 per cent of the Jewish population in wartime Canada who chose to enlist including future Cabinet minister Barney Danson future game show host Monty Hall and comedians Wayne and Shuster Added to this fascinating account are Jews who were among the so called Zombies Canadians who were drafted but chose to serve at home the various perspectives of the Jewish community and the participation of Canadian Jewish women Art Deco Michael Windover, 2012-12-13T00:00:00-05:00 This

book argues that mobility is the central theme of the interwar mode of design known today as Art Deco It is present on the very surfaces of Art Deco objects and architecture in iconography and general formal qualities whether the zigzag rectilinear forms popular in the 1920s or curvilinear streamlining of the 1930s By focussing on mobility as a means of tying the seemingly disparate qualities of Art Deco together Michael Windover shows how the surface level expressions correspond as well with underpinning systems of mobility including those associated with migration transportation commodity exchange capital and communication Journeying across the globe from a skyscraper in Vancouver B C to a department store in Los

Angeles and from super cinemas in Bombay Mumbai to radio cabinets in Canadian living rooms this richly illustrated book examines the reach of Art Deco as it affected public cultures Windover s innovative perspective exposes some of the socio political consequences of this mode of mobility and offers some reasons as to how and why Art Deco was incorporated into everyday lifestyles around the world **Alcoholics Anonymous and the Rockefeller Connection: How John D.**

Rockefeller Jr. and his Associates Saved AA Jay D. Moore,2015-11-25 This book straddles the divide between personal story and period history In his finely researched account Jay D Moore follows the life of a driven genius stock analyst brought to the brink of insanity by alcohol A second thread traces the story of a physician humbled and bewildered by the same struggle Finally the story traverses the path through life of an unimaginably wealthy man telling how he decides to use his treasure to benefit others It has been said that there are no new ideas only history we have not yet learned No new ideas were brought to the Fellowship of Alcoholics Anonymous for everything the co founders and early members did had been done before What they managed to change however was to stick to their knitting The facts presented here help separate the truth from legend as the story of Alcoholics Anonymous and the Rockefeller connection is presented with more depth and analysis than has been brought to the subject before **Alan Caswell Collier, Relief Stiff** Peter Neary,2018-03-01 Alan

Caswell Collier was one of Canada s most successful landscape painters but during the Depression he joined the thousands of single unemployed men who rode the rails or hitchhiked across North America in search of jobs He eventually made his way to British Columbia s remote government run relief camps the birthplace of the famous Communist led On to Ottawa Trek Labouring for twenty cents a day he detailed camp life and politics in letters to his fianc e and depicted his fellow relief stiff s and the BC landscape in character sketches and paintings Incisive and candid his letters reveal a born contrarian with a strong sense of social superiority over his fellow twenty centers Collier resisted the mobilization that led to the Trek but in the 1940s he became a union activist and an ardent social democrat Illustrated with well known paintings and never before published sketches portraits and landscapes Alan Caswell Collier Relief Stiff offers a fresh perspective on an eminent Ontario artist and on the politics hopes and dreams of a generation who came of age at a time of economic upheaval and class conflict

whirlwind of profound changes This new edition brings together leading scholars to present a new and expansive view of Ontario's social, political, and economic history Building on the strengths of the first edition, the second edition reflects on the dramatic changes in historical practice and understanding that have marked the last two decades Taking a chronological approach and broadening the theme of state and society, the book explores important topics such as the environment, gender, continentalism, urban growth, and Indigenous issues This timely update to *Ontario Since Confederation* features new and revised chapters as well as new discussion questions designed to stimulate and guide readers to make connections between and across the entire book Bringing together a wide range of perspectives, approaches, and frameworks, *Ontario Since Confederation* sheds light on historical changes in Canada's most populous province across more than one and a half centuries

In Due Season Christine van der Mark, 2016-05-28 First published in 1947 *In Due Season* broke new ground with its fictional representation of women and of Indigenous people Set during the dustbowl 1930s, this tersely narrated prize-winning novel follows Lina Ashley, a determined solo female homesteader who takes her family from drought-ridden southern Alberta to a new life in the Peace River region Here her daughter Poppy grows up in a community characterized by harmonious interactions between the local Métis and newly arrived European settlers Still, there is tension between mother and daughter when Poppy becomes involved with a Métis lover This novel expands the patriarchal canon of Canadian prairie fiction by depicting the agency of a successful female settler and, as noted by Dorothy Livesay, was one of the first if not the first Canadian novel wherein the plight of the Native Indian and the Métis is honestly and painfully recorded The afterword by Carole Gerson and Janice Dowson provides substantial information about author Christine van der Mark and situates her under-acknowledged book within the contexts of Canadian social literary and publishing history
