Media, Gender and Identity David Gauntlett, 2008-03-18 Popular media present a vast array of stories about women and men What impact do these images and ideas have on people's identities The new edition of **Media Gender and Identity** is a highly readable introduction to the relationship between media and gender identities today Fully revised and updated including new case studies and a new chapter it considers a wide range of research and provides new ways for thinking about the media's influence on gender and sexuality David Gauntlett discusses movies such as *Knocked Up* and *Spiderman 3* men's and women's magazines TV shows self help books YouTube videos and more to show how the media play a role in the shaping of individual self identities The book includes a comparison of gender representations in the past and today from James Bond to Ugly Betty an introduction to key theorists such as Judith Butler Anthony Giddens and Michel Foucault an outline of creative approaches where identities are explored with video drawing or Lego bricks a Companion Website with extra articles interviews and selected links at www.theoryhead.com

What's Fair? Robert Giles, 2018-04-17 What's fair It is an old question in journalism In 1999 it seems more difficult to answer than ever The cycle of story spin and counterspin that surrounds the White House is only the most obvious part of the problem In the past 25 years the practice of journalism has changed enormously particularly in the United States The demarcation of public and private life that once ruled certain kinds of stories out of

bounds has eroded leaving reporters with the unenviable challenge of having to cover events whose seaminess inevitably taints all who touch them Commercial pressures and a tidal wave of information and entertainment media have engulfed the news business leaving the definitions of journalism and journalistic standards vague and uncertain And the technology of news reporting is speeding up news cycles in ways that leave little time for sober and measured judgments What s Fair is a collection of essays from experts in the field that are sure to spark compelling questions and ideas about journalism and its place in our time In Fairness A Struggle journalists explore a subject that they normally share only with close friends and colleagues their own struggles with fairness that occurred in places as different as South Africa Washington and the South Bronx In Fairness A History nine contributors examine the history of the fairness question specifically the establishment of the Hutchins Commission report of 1947 which is evaluated here by a historian a journalist and a First Amendment authority In a comparative vein two authorities on international communications law examine British regulations for fairness in broadcasting at the end of the 20th century In Fairness A Goal contributors explore what struggles for fairness mean in a variety of contexts from American newsrooms to post Communist Poland to Northern Ireland Many discussions of fairness are either numbingly abstract or impossibly righteous To avoid those hazards Robert Giles and Robert Snyder have grounded this volume in stories the kind of stories journalists tell each other and the kind of stories people tell about journalism This volume is a testament to journalism that is free yet fair probing yet credible and authoritative in content yet open to many voices Robert Giles is editor in chief of Media Studies Journal senior vice president of the Freedom Forum and executive director of Media Studies Center Formerly the editor and publisher of The Detroit News he is the author of Newsroom Management A Guide to Theory and Practice Robert W Snyder is editor of the Media Studies Journal a historian and most recently author of Transit Talk New York s Bus and Subway Workers Tell Their Stories He has taught at Princeton University and New York University from which he holds a doctorate in history *The Power of Character* Michael S. Josephson, Wes Hanson, 2004 Essays about character from 41 of the country s most distinguished interesting and accomplished citizens including CBS s Dan Rather Harvard s Alan M Dershowitz radio host Dr Laura Schlessinger best selling author Daniel Goleman spiritual leader Marianne Williamson and many more *Dr. Laura* Vickie L. Bane, 2011-04-01 Dr Laura Schlessinger is the hottest thing to hit national radio since Rush Limbaugh Sixty thousand people call in to The Dr Laura Show every day to get abused and berated for admitting their flaws and imperfections Nearly twenty million people tune in across the country to listen to the humiliation and more than 2.5 million have bought one of her bestsellers with the latest book hitting bookstores this September Dr Laura has been the subject of countless articles including features in Vanity Fair and New York magazine And she recently announced that she has signed an exclusive deal for an hour long daily innovative daytime TV program showcasing her unique insights into today s issues and problems which will begin airing in the fall of 2000 Catering to a nearly spellbound cult following Dr Laura has built a veritable media empire by spreading moral wisdom

and commonsense advice But what the enchanted public doesn't know is that Schlessingers own life is a labyrinth of contradictions from her own divorce she openly and adamantly chastises divorcees on the air to her estrangement for her sister and mother she is known for her supposedly emphatic adherence to family And is the doctor really a licensed physician Find out what classmates colleagues patients and pals have to say about the real Dr Laura This book turns the tables on America's number one moral drill sergeant and professional perfectionist revealing the personal inconsistencies that define the guru himself
