Ten Words that Will Change Your Life Ervin Seale, 1954 **Ten Words That Will Change Your Chay** Rodrigo Arteaga Trigo, Daniela Arteaga, 2020-12-08

The 2020 season has taught us to know what we do not know to be prepared for the unexpected Who was ready for a mandatory adjustment of our breathing process Probably no one was but this should lead us to ask ourselves a more profound question Am I breathing within my heart what life is about Do I have the necessary inner strength for what is coming next Will I be able to live life in its fullness in the coming years Ten Words that Will Change Your Chay delivers a present day revelation that will help find these answers through a groundbreaking prayer model based on God's life shaping and breathing processes found in ancient Hebrew texts The Chay Revelation provides an inner healing and supernatural prayer template that will help you forgive love bless and restore different areas of your life It is a divine map navigated through ten Hebrew words Each Hebrew word reveals magnificent things of life that need to be completed in you They will take you to know the who what how and why of your spiritual life You will uncover the Hebrew words significances in the nonvisible realms of life that will deliver your life into a more abundant one The spiritual meaning of an untranslated word that has baffled the sages of all times will come alive to you and open a place within you to keep your hopes up safely We consider the prayer model for inner healing found in the Ten Words that Will Change Your Chay to be the best to tackle a holistic view of our makeup Sounds pretentious but is not What if our spiritual life consists of 10 chambers that we need to know about And we only knew a few of them and never figured out the rest Disregarding the complete floorplan will not enable you to take the appropriate actions in order to have the house or life of your dreams Ten Words that Will Change Your Chay will help you turn on the light of your spirit and see the different chambers you have that need to be restored to their proper condition so that you may host life to its fullest As we have natural body systems like the respiratory or skeletal system you also have ten realms that let you function correctly in the spirit realm Ten Words that Will Change Your Chay will guide you through each dimension to know what sort of spiritual events to expect at each chamber You will be able to enter the dimensions by their names given in Hebrew We begin by sharing our story on how we received the revelation and how the Hebrew words work in the spirit realm Before entering into the core subject we have been careful to explain the human spirit's role in effective inner healing prayer and how he will provide your senses with all the information you need Then we describe each supernatural realm of your life through a series of visions and eye opening inner healing prayer experiences The Chay Revelation includes five key things A The different Hebrew words that connect to 10 spiritual realms within our makeup B The exact layout or placement of each realm concerning all the others One corridor or hallway that connects each realm C The order in which each realm should be cleansed in an inner healing prayer session D The fulfillment point that may be attained in each realm the purpose and value of each E A four arm spinning wind wheel structure that downloads living breath from heaven to the heart dimension in a parallel world within
