**Ten Modern Poets** Rica Brenner, 1930      **Broadside Series Number 1**, 1990      *Modern Italian Poets* Jacob Blakesley, 2014-02-24 In 1948 the poet Eugenio Montale published his *Quaderno di traduzioni* and created an entirely new Italian literary genre the translation notebook The quaderni were the work of some of Italy's foremost poets and their translation anthologies proved fundamental for their aesthetic and cultural development *Modern Italian Poets* shows how the new genre shaped the poetic practice of the poet translators who worked within it including Giorgio Caproni Giovanni Giudici Edoardo Sanguineti Franco Buffoni and Nobel Prize winner Eugenio Montale displaying how the poet translators used the quaderni to hone their poetic techniques experiment with new poetic metres and develop new theories of poetics In addition to detailed analyses of the work of these five authors the book covers the development of the *quaderno di traduzioni* and its relationship to Western theories of translation such as those of Walter Benjamin and Benedetto Croce In an appendix *Modern Italian Poets* also provides the first complete list of all translations and quaderni di traduzioni published by more than 150 Italian poet translators

**Albert Wendt and Pacific Literature** Paul Sharrad, 2003-11-08 Albert Wendt is the leading writer and exponent of Pacific literature His work is consistently different in style politically challenging and ranges across essays plays poems stories and novels two of which have been filmed This book is the first full length study of his work There is an introduction to Pacific literature as a whole and Wendt's Samoan background Chapters offer readings of all Wendt's major texts in chronological sequence relating them to his essays to literary movements of the time and to key motifs from Polynesian culture There is an extensive bibliography of works by and about Wendt

**Women Poets, Male Publishers** Lise Jaillant, 2025-03-17 We are often told that the women's movement of the 1960s and 1970s led to the rediscovery of forgotten women writers Without feminist presses such as Virago these women would have sunk into obscurity Thanks to Carmen Callil and other trailblazing feminist publishers a canon of women's literature emerged and living writers managed to survive and sometimes thrive in a literary marketplace that had so far been dominated by men Although obstacles remained the story is one of the triumphs over a misogynistic publishing industry a sector that had once sought to erase women writers of the past marginalise living authors and close the doors to any future legacy There are two problems with this oft repeated story First it focuses mainly on fiction rather than poetry founded in 1973 Virago did not start publishing poetry until the early 1980s Second it neglects the major role that conservative male publishers played in re-discovering women poets in post 1960s Britain With the growing influence of the Women's Liberation movement these publishers realised that there was a growing market for poetry by women At the same time the Arts Council of Great Britain started pushing for more diversity nudging its clients to make more room for women and ethnic minorities Drawing on extensive archival work and oral history interviews this open access book pushes the boundaries of a scholarship that has focused mainly on women's poetry in relation to women's presses Archival documents show the influence of the Arts Council and the

market in pushing conservative publishers towards more diversity This evolution has had long term consequences on the canon of women s poetry a canon that was largely shaped by conservative publishing houses rather than radical feminist presses

**Electric Spark** Frances Wilson,2025-09-23 The award winning biographer Frances Wilson presents an exhilarating new look at Muriel Spark a consummate artist of the twentieth century Is the story fact Is it fiction It is what it is said Muriel Spark Muriel Spark was a puzzle and so too are her books She dealt in word games tricks and ciphers her life was composed of weird accidents strange coincidences and spooky events Evelyn Waugh thought she was a saint Bernard Levin said she was a witch and she described herself as Muriel the Marvel with her X ray eyes By following the clues riddles and instructions Spark planted for posterity in her biographies fiction autobiography and archives Frances Wilson aims to crack her code Electric Spark explores not the celebrated Dame Muriel but the apprentice mage discovering her powers It takes us through her early years when turmoil reigned divorce madness murder espionage poverty skullduggery blackmail love affairs revenge and a major religious conversion If this sounds like a novel by Spark it is because her experiences in the 1940s and 1950s became alchemically distilled the material of her art As good a critic as she is a biographer and as sharp a stylist as she is a reader The Boston Globe in Electric Spark Frances Wilson brings her enormous incandescent powers to bear on one of the most formidable writers of the twentieth century

**The Lesbian Lyre** Jeffrey M. Duban,2016-08-23 Hailed by Plato as the Tenth Muse of ancient Greek poetry Sappho is inarguably antiquity s greatest lyric poet Born over 2 600 years ago on the Greek island of Lesbos and writing amorously of women and men alike she is the namesake lesbian What s left of her writing and what we know of her is fragmentary Shrouded in mystery she is nonetheless repeatedly translated and discussed no appropriated by all Sappho has most recently undergone a variety of treatments by agenda driven scholars and so called poet translators with little or no knowledge of Greek Classicist translator Jeffrey Duban debunks the postmodernist scholarship by which Sappho is interpreted today and offers translations reflecting the charm and elegant simplicity of the originals Duban provides a reader friendly overview of Sappho s times and themes exploring her eroticism and Greek homosexuality overall He introduces us to Sappho s highly cultured island home to its lyre accompanied musical legends and to the fabled beauty of Lesbian women Not least he emphasizes the proximity of Lesbos to Troy making the translation and enjoyment of Homer s Iliad and Odyssey a further focus More than anything else argues Duban it is free verse and its rampant legacy and no two persons more than Walt Whitman and Ezra Pound that bear responsibility for the ruin of today s classics in translation to say nothing of poetry in the twentieth century Beyond matters of reflection for classicists Duban provides a far ranging beginner s guide to classical literature with forays into Spenser and Milton and into the colonial impulse of Virgil Spenser and the West at large
