Charles Dickens and Wilkie Collins reveal the darker side of Victorian London and a killer's identity in this well-crafted adventure Publishers Weekly Charles Dickens is smitten with Ellen Ternan a teenage actress and heads to the country to retrieve her from the home for fallen women run by Angela Burdett Coutts who also owns one of England's largest banks and has recently received an anonymous threatening note Back in London Dickens and his fellow writer Wilkie Collins give the note to Inspector Field But more urgent worries are to come Both men's paramours the actress as well as a former prostitute have been attending Women's Emancipation Society meetings When a young feminist is found fatally strangled at the scene of a robbery at Coutts Bank Ellen whose scarf was the murder weapon is arrested And it is up to Dickens to clear her name hopefully without sully his own since at the time of the killing the two were together in a hotel room The story offers not only a mystery but also a look at some of the more prurient aspects of nineteenth-century London society Atmospheric and cunningly plotted Absorbing Booklist      **Fictions of Sappho, 1546-1937** Joan DeJean,1989-11-28 Considering Sappho as a creature of translation and interpretation a figment whose features have changed with social mores and aesthetics Joan DeJean constructs a fascinating history of the sexual politics of literary reception The association of Sappho with female homosexuality has made her a particularly compelling and yet problematic subject of literary speculation and in the responses of different cultures to the challenge the poet presents DeJean finds evidence of the standards imposed on female sexuality through the ages She focuses largely though not exclusively on the French tradition where the Sapphic presence is especially pervasive Tracing re-creations of Sappho through translation and fiction from the mid-sixteenth century to the period just prior to World War II DeJean shows how these renderings reflect the fantasies and anxieties of each writer as well as the mentality of his or her day      *London Encyclopaedia; Or, Universal Dictionary of Science, Art, Literature and Practical Mechanics* ,1829      **The London encyclopaedia, or, Universal dictionary of science, art, literature, and practical mechanics, by the orig. ed. of the Encyclopaedia metropolitana [T.
