Townshend,2011-05-18 Now back in print A Tenderfoot in Colorado is R B Townshend s classic account of his time in the wild frontier territory known as Colorado Townshend arrived in the Rockies in 1869 fresh from Cambridge England with 300 in his pockets He found friends among some of Colorado s more colorful characters people who taught him much about life on the frontier Jake Chisolm taught him how to shoot after rescuing him from two men preparing to skin him at poker Wild Bill of Colorado taught him the meaning of the drop and warned him against wearing a gun in town unless he wanted trouble Capturing the Western vernacular more accurately than any other writer Townshend includes vivid details of life in the West where he killed a buffalo prospected for gold and was present for the official government conference with the Ute Indians after gold was discovered on their lands

Hayes,1880 The Tenderfoot in New Mexico R. B. Townshend,Richard Baxter Townshend,2013-10-15 Britishers were not uncommon on the frontier of the American Southwest Most of them well financed came to acquire land and purchase cattle intending to make their fortunes at ranching But almost all were lured to America s Wild West as much by its romantic image as by the opportunity to grow rich One of the younger members of that breed of Englishmen was Richard Baxter Townshend hungry for adventure and prosperity who landed at the foot of the Colorado Rockies in 1869 just four years after the end of the Civil War Townshend born in 1846 was then 23 years old and was captivated by cowboys and Indians He would rub shoulders with innumerable examples of both during his time in Colorado and New Mexico Over his years in the West he gained some seasoning and became a rancher and a successful merchant Once when Townshend and his men were making a harrowing cattle drive they narrowly missed having the valuable livestock stolen by Billy the Kid and his outlaw pals Later in

his life back in England Townshend pulled together his first book *A Tenderfoot in Colorado* It was published in February 1923 The following April 23 he died at Oxford in his 77th year The second volume *The Tenderfoot in New Mexico* was completed by his wife Dorothea using notes left by her husband It saw publication at the end of 1923 It proved to be the most popular with its descriptions of Townshend's experiences among the Pueblo and Navajo Indians and his adventures on desert and mountain trails Although Townshend gained a wide audience in his day among both Englishmen and Americans by the mid 20th century he had slipped from public view This reprinting of *The Tenderfoot in New Mexico* by Sunstone Press will serve to re introduce him to a new generation of readers
