Edu-Lution Andy Tippitt,2008-07

Edu lution is a common sense approach to the educational evolution that is long overdue in America This book explores the many problems our teachers parents students and society face as well as research based suggestions aimed at improving each of those facets Edu lutionists realize that our country has fallen behind and are adamant about making immediate changes before it is too late An innovative blend of education psychology ethics politics and unbiased truth Edu lution offers strategies that should be implemented by every citizen to ensure America gets back on the right path and remains a reputable nation for generations to come Edu lution offers an insightful deliberate and common sense approach for dealing with the problems facing our children and future Tippitt s back to basics with a new attitude approach engages teachers parents school administration businesses and children Tippitt has started the conversation Now it is up to us to continue it Our children deserve nothing less Illiff McMahan Jr Mayor Cocke County TN Edu lution is a blueprint for learning for students parents educators and the public Larry B Blazer Superintendent of Schools Cocke County TN Every student must read this book to gain insight as to how the educational experience could be Every parent must read this book to understand the crisis in today s educational system Every educator must read this book look inside himself herself and realize their importance in shaping the lives of students in turmoil today Peggy Hammonds retired High School Math Teacher and District Instructional Supervisor Edu lution is a must read for anyone that has children or works with children An eye opening book Tippitt s insight into the educational system is both revealing and alarming A clarion call for parents and educators to inject a renewed emphasis of morality in our schools and homes immediately Pastor Keith Pierce Cades Cove Baptist Fellowship

Maryville TN Mr Tippitt possesses all the necessary skills and charisma to motivate students to perform their best He makes learning relevant and interesting As a result his students have a high level of mastery and understanding of the skills and concepts being taught Our students response has been overwhelmingly positive Rob Britt Principal Carpenters Middle School Blount County TN

Resources in Education ,1998-04 Experiencing Service-Learning Robert F. Kronick,Robert B. Cunningham,Michele Gourley,2011-06-30 A unique resource for students and professors alike this book reveals the important practical educational and emotional benefits provided by college programs that allow students to help others through service work in inner city classrooms clinics and other challenging environments Filled with vivid first person reflections by students Experiencing Service Learning emphasizes learning by doing getting into the field sharing what one sees with colleagues and interpreting what one learns As the authors make clear service learning is not a spectator sport It takes students away from the routines and comfort zones of lecture test term paper exam and puts them into the world Service learning requires them to engage actively with cultures that may be unfamiliar to them and to be introspective about their successes and their mistakes At the same time it demands of their instructors something other than Power Point slides or an eloquently delivered lecture as no teacher can predict in advance the questions their students experiences will raise In service learning students and teacher must act together as a team of motivators problem solvers and change agents While most of its personal vignettes come from service learners who have worked as mentors in elementary schools the book also includes a chapter in which coauthor Michele Gourley describes at length her experiences at a faith based health clinic in Honduras In offering such stories along with a succinct introduction to basic concepts an assessment of how service learners can effect transformational change and project examples this text will not only prepare students for the adventures of service learning but also aid professors and administrators tasked with developing service learning courses and programs Robert F Kronick is a professor of educational psychology and counseling at the University of Tennessee Knoxville and the author of Full Service Community Schools Robert B Cunningham is a professor emeritus of political science at the University of Tennessee Knoxville His books include Agendas and Decisions How State Government Executives and Middle Managers Make and Administer Policy coauthored with Dorothy F Olshfski Michele Gourley is a physician and public health professional with a background in rural community health and state health policy
