Tennessee Williams Everyone Else Is An Audience

Philip C. Kolin

Tennessee Williams Everyone Else Is An Audience:

Tennessee Williams Philip Kolin, 1998-10-28 The plays of Tennessee Williams are some of the greatest triumphs of the American theatre If Williams is not the most important American playwright he surely is one of the two or three most celebrated rivaled only by Eugene O'Neill and Arthur Miller In a career that spanned almost five decades he created an extensive canon of more than 70 plays His contributions to the American theatre are inestimable and revolutionary *The Glass Menagerie* 1945 introduced poetic realism to the American stage *A Streetcar Named Desire* 1947 explored sexual and psychological issues that had never before been portrayed in American culture *Cat on a Hot Tin Roof* 1955 dared to challenge the political and sexual mores of the Eisenhower era and his plays of the 1970s are among the most innovative works produced on the American stage But Williams was far more than a gifted and prolific playwright He created two collections of poetry two novels four collections of stories memoirs and scores of essays Because of his towering presence in American drama Williams has attracted the attention of some of the most insightful scholars and critics of the twentieth century The 1990s in particular ushered in a renaissance of Williams research including a definitive biography a descriptive bibliography and numerous books and scholarly articles This reference book synthesizes the vast body of research on Tennessee Williams and offers a performance history of his works Under the guidance of one of the leading authorities on Williams expert contributors have written chapters on each of Williams works or clusters of works Each chapter includes a discussion of the biographical context of a work or group of writings a survey of the bibliographic history an analysis of major critical approaches which looks at themes characters symbols and plots a consideration of the major critical problems posed by the work an overview of chief productions and film and television versions a concluding interpretation and a bibliography of secondary sources The volume concludes with a selected general bibliography and a comprehensive index *The Cambridge Companion to Tennessee Williams* Matthew C. Roudané, 1997-12-11 This is a collection of thirteen original essays from a team of leading scholars in the field In this wide ranging volume the contributors cover a healthy sampling of Williams's works from the early apprenticeship years in the 1930s through to his last play before his death in 1983 *Something Cloudy Something Clear* In addition to essays on such major plays as *The Glass Menagerie* *A Streetcar Named Desire* and *Cat on a Hot Tin Roof* among others the contributors also consider selected minor plays short stories poems and biographical concerns The Companion also features a chapter on selected key productions as well as a bibliographic essay surveying the major critical statements on Williams **The Politics of Reputation** Annette J. Saddik, 1999 Author Annette J. Saddik researches Tennessee Williams much neglected later work from 1961 to 1983 and argues that it deserves a central place in American experimental drama Offering a new reading of Williams career she challenges the conventional wisdom that his later work represents a failure of his creative powers **Williams: A Streetcar Named Desire** Philip C. Kolin, 2000-04-27 One of the most important plays of the twentieth century *A Streetcar Named Desire* revolutionised the modern stage This

book offers the first continuous history of the play in production from 1947 to 1998 with an emphasis on the collaborative achievement of Tennessee Williams, Elia Kazan and Jo Mielziner in the Broadway premiere. From there, chapters survey major national premieres by the world's leading directors including those by Seki Sano (Mexico), Luchino Visconti (Italy), Ingmar Bergman (Sweden), Jean Cocteau (France) and Laurence Olivier (England). Philip Kolin also evaluates key English language revivals and assesses how the script evolved and adapted to cultural changes. Interpretations by Black and gay theatre companies also receive analyses and transformations into other media such as ballet, film, television and opera. Premiered in 1998, form an important part of the overall study.

Tennessee Williams J. Bak, 2013-02-18 This Literary Life draws extensively from the playwright's correspondences, notebooks and archival papers to offer an original angle to the discussion of Williams's life and work and the times and circumstances that helped produce it.

Tennessee Williams - A Streetcar Named Desire/Cat on a Hot Tin Roof Thomas Adler, 2012-12-07 A Streetcar Named Desire (1947) and Cat on a Hot Tin Roof (1955) are major plays by Tennessee Williams, one of America's most significant dramatists. They both received landmark productions and are widely studied and performed around the world. The plays have also inspired popular screen adaptations and have generated a body of important and lasting scholarship. In this indispensable Reader's Guide, Thomas P. Adler charts the development of the criticism surrounding both works from the mid-twentieth century through to the present day. Provides a readable assessment of the key debates and issues. Examines a range of theoretical approaches from biographical and New Criticism to feminist and queer theory. In so doing, Adler helps us to appreciate why these plays continue to fascinate readers, theatregoers and directors alike.

A Study Guide for Tennessee Williams's "Night of the Iguana" Gale, Cengage Learning, A Study Guide for Tennessee Williams's Night of the Iguana excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading and much more. For any literature project, trust Drama For Students for all of your research needs.

The Gay & Lesbian Theatrical Legacy Billy J. Harbin, Kim Marra, Robert A. Schanke, 2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time.

The Metatheater of Tennessee Williams Laura Michiels, 2021-07-13 Tennessee Williams' characters set the stage for their own dramas. Blanche DuBois in *A Streetcar Named Desire* arrived at her sister's apartment with an entire trunk of costumes and props. Amanda Wingfield in *The Glass Menagerie* directed her son on how to eat and tries to make her daughter act like a Southern Belle. This book argues for the persistence of one metatheatrical strategy running throughout Williams' entire oeuvre: each play stages the process through which it came into being, and this process consists of a variation on repetition combined with transformation. Each chapter takes a detailed reading of one play and its variation on repetition and transformation. Specific topics include reproduction in *Sweet Bird of Youth* (1959), mediation in *Something Cloudy, Something Clear* (1981) and how the playwright frequently recycled previous works of art, including his own.

Masterpieces of 20th-Century American Drama Susan C. W.

Abbotson,2005-09-30 American playwrights have made enormous contributions to world drama during the last century and their works are widely read and performed This reference conveniently introduces 10 of the most important modern American plays read by students An introductory essay concisely overviews modern American drama and each of the chapters that follow examines a particular play Among the plays discussed are Thornton Wilder's *Our Town* Arthur Miller's *Death of a Salesman* Lorraine Hansberry's *A Raisin in the Sun* and August Wilson's *The Piano Lesson* Each chapter includes a biography a plot summary an analysis of the play's themes characters and dramatic art and a review of its historical background and reception Chapters list works for further reading and the volume closes with a selected general bibliography

Fags, Hags and Queer Sisters S. Maddison,2000-10-25 *Fags Hags and Queer Sisters* is a provocative account of the importance of women and cross gender identification in gay male culture It offers a range of cultural readings from Tennessee William's classic *A Streetcar Named Desire* and Forster's gay novel *Maurice* through Pulp Fiction queer lifestyle magazines Roseanne slash fan fiction and Jarman's *Edward II* to Almodovar's camp classic *Women on the Verge of a Nervous Breakdown* Theoretically sophisticated yet passionate accessible and opinionated *Fags Hags and Queer Sisters* takes issue with many of the sacred cows of contemporary gay politics and offers a number of new concepts in lesbian and gay theory
