Security as Politics Neal Andrew W. Neal,2019-03-21 Andrew W Neal argues that while security was once an anti political exception in liberal democracies a black box of secret intelligence and military decision making at the dark heart of the state it has now become normalised in professional political life This represents a direct challenge to critical security studies debates and their core assumption that security is a kind of illiberal and undemocratic anti politics Using archival research and interviews with politicians Neal investigates security politics from the 1980s to the present day to show how its meaning and practice have changed over time In doing so he develops an original reassessment of the security politics relationship
