 my love for the sport has risen to greater heights Since I left Bangkok last year after 7 great years I still watch the game and
 love it with passion but its not the same with my man Harold by my side giving me the blow by blow bits of every game and
 play He is a man who would be of great help to any individual with hopes of making it big on the tennis circuit Farai Ngoni B
 It s an awesome book It s an awesome book bought it for my kindle on amazon great tips and awesome drills I really like your
 drills My student and I do the serve and volley drill she calls it the serve and volley game first to 10 lose at point if you double
 fault or miss the 1st volley we also do the 8 deep volley or overheads without allowing any ball to bounce and the volley game
 half court only start the rally and play it out lose a point if the ball gets over your head your drill are on point in reinforcing
 skills and tactical lessons Clay R Thanks Harold Mollin You are the MAN I used to have a weak serve because hitting the ball
 at below the highest point robbed me of a full swing This simple but effective point about hitting at the highest point helped
 me hit stronger serves and slice as well Thanks Harold Mollin You are the MAN Steve Teoh Get the best out of our students
 Although I ve been coaching for many years and we all have our own methods to get the best out of our students I will always
 look and listen to what my peers are doing Quite often I will invite a coach to my sessions to look at my students with fresh
 eyes i never feel threatened or worried about losing a student in fact more often than not it makes them feel even more
 important and are grateful I have used many of your quotes thank you Harold I am planning to visit Bangkok in the future
