

Tent Show

Terry C. Jones

Tent Show:

Tent Show Donald W. Whisenhunt, 2000 *Tent Show* captures both the glamour the shows held for the audiences and the hard work and financial jeopardy those who performed in them faced Donald Whisenhunt whose father was one of Names s partners during part of the period covered draws on family papers letters and other original documents and interviews shedding light on the role this form of entertainment played in the communities it visited the very unglamorous business that underlay the show and the kinds of people who chose this way of life Jacket **The History of the Haverstock Tent Show**

Robert Lee Wyatt, 1997 Although rural America supported more than seven hundred tent repertoire groups during the first half of the twentieth century little is known about the many players and companies that strolled the land to bring live entertainment to small towns Thus Robert Lee Wyatt s chronicle of a pioneer dramatic tent repertoire company is more than just a fascinating story it is also a particularly significant piece of American theater history Founded in Roosevelt Oklahoma in 1911 by Harvey Haver and Carlotta Lotta Haverstock the Haverstock Tent Show proved to be one of the most enduring of these tent theater companies and of family enterprises Rolland Haverstock the founders son played leading man roles for thirty of the company s forty three years and Rolland s wife Peggy who joined the company in 1933 toured with the group until it dissolved in 1954 As Wyatt reports the life and work of this remarkable family of thespians the schedule sounds grueling at least one new town every week with a different three act play for each night they worked a town but apparently the Haverstocks and the actors who traveled with them loved their work And they thoroughly enjoyed meeting new people in the towns along the route through rural Oklahoma Texas Missouri Arkansas and Illinois Unlike many such companies the Haverstocks made a point of fitting into the community including going to church with their audiences on Sunday mornings Wyatt was exceptionally fortunate in finding such willing and able subjects as he investigated the tent theater movement Not only did Rolland and Peggy Haverstock spend hours regaling him with tales of the family touring company but they also provided him with their own archival records Through these two veteran players Wyatt had access to family letters Haver s memoirs and diaries copies of scripts route books record books and scrapbooks and photographs some of which are included here Wyatt supplemented this material with interviews with those who had worked with the Haverstocks or who had known the company by reputation **The Blackface Minstrel Show in Mass Media**

Tim Brooks, 2019-11-29 The minstrel show occupies a complex and controversial space in the history of American popular culture Today considered a shameful relic of America s racist past it nonetheless offered many black performers of the 19th and early 20th centuries their only opportunity to succeed in a white dominated entertainment world where white performers in blackface had by the 1830s established minstrelsy as an enduringly popular national art form This book traces the often overlooked history of the modern minstrel show through the advent of 20th century mass media when stars like Al Jolson Bing Crosby and Mickey Rooney continued a long tradition of affecting black music dance and theatrical styles for mainly white audiences to its abrupt end in

the 1950s A companion two CD reissue of recordings discussed in the book is available from Archeophone Records at [www archeophone com](http://www.archeophone.com)

In Tune Ben Wynne, 2014-10-06 Born into poverty in Mississippi at the close of the nineteenth century Charley Patton and Jimmie Rodgers established themselves among the most influential musicians of their era In Tune tells the story of the parallel careers of these two pioneering recording artists one white one black who moved beyond their humble origins to change the face of American music At a time when segregation formed impassable lines of demarcation in most areas of southern life music transcended racial boundaries Jimmie Rodgers and Charley Patton drew inspiration from musical traditions on both sides of the racial divide and their songs about hard lives raising hell and the hope of better days ahead spoke to white and black audiences alike Their music reflected the era in which they lived but evoked a range of timeless human emotions As the invention of the phonograph disseminated traditional forms of music to a wider audience Jimmie Rodgers gained fame as the Father of Country Music while Patton s work eventually earned him the title King of the Delta Blues Patton and Rodgers both died young leaving behind a relatively small number of recordings Though neither remains well known to mainstream audiences the impact of their contributions echoes in the songs of today The first book to compare the careers of these two musicians In Tune is a vital addition to the history of American music

Country Music Humorists and Comedians Loyal Jones, 2008-10-08 An exhaustive reference detailing the mirth and music of country music humorists and comedians

Theatre in a Tent William L. Slout, 2008-08-01 A premier study of the dramatic tent show s development
