I Probably Should've Brought a Tent Erik Shonstrom, 2022-06-15 The author once fell backwards on skis at night into a latrine during a snowstorm in the Rocky Mountains That s just one of the stories in this 20 year tale of wilderness education This book aims to entertain and edify captivate and compel It s also laugh out loud funny with echoes of Patrick F McManus and Bill Heavey Combining anecdotes of over two decades of outdoor education experience with thoughtful narrative context the author offers tales of adventure that both experienced mountain guides and armchair enthusiasts can dig into with abandon From the swampy backcountry of Florida to the soaring Sierra the chilly gray waters of Puget sound to rocky scrambles in the Green Mountains this book takes the reader on a hilarious journey through epic landscapes guided by a hapless outdoor teacher No matter how suburban or urban our upbringing we ve all experienced the fear of strange noises in the night inedible food cooked outdoors and surviving when the nearest flush toilet is miles away We can all relate to the mishaps and exploits experienced in the great wide world A Poetics of Homecoming Brendan O'Donoghue, 2011-05-25

This investigation addresses a pressing anxiety of our time that of homelessness. Tensely stated, the philosophical significance of homelessness in its more modern context can be understood to emerge with Nietzsche and his discourse on nihilism which signals the loss of the highest values hitherto. Diverging from Nietzsche, Heidegger interprets homelessness as a symptom of the oblivion of being. The purpose of the present enquiry is to rigorously confront humanity's state of homelessness and at the same time illumine the extent to which Heidegger's thought engages with this pervasive phenomenon. In questioning the nature of homelessness, Heidegger's preoccupations with nihilism and modern technology prove crucial. Moreover, his attempts to overcome or prepare for the overcoming of this state of homelessness are also of great import to the current investigation. Adorno and Levinas offer scathing critiques of Heidegger's thought as it relates to the motifs of homelessness, homecoming, *Heimkunft* and the German *Heimat* for they associate it with provincialism, paganism and a pernicious form of politics. In providing these critiques, they bring to light the risks involved in undertaking a homecoming venture and they also show how a great thinker can err greatly. While acknowledging the importance of these criticisms, the present study reveals how Heidegger's various discourses on homelessness and homecoming bear fruitful insights that can contribute not just to a Germanic sense of homecoming but to a sense of homecoming that humanity at large can relate to and be enriched by.

Stalin Christopher Read, 2016-12-08 This new biography of Stalin offers an accessible and up to date representation of one of the twentieth century's defining figures as well as new insights, analysis and illumination to deepen our understanding of his actions, intentions and the nature of the power that he wielded. Christopher Read examines Stalin's contribution to and impact on Russian and world events in the first half of the twentieth century. The biography brings together the avalanche of sources and scholarship which followed the collapse of the system Stalin constructed, including the often neglected writings and speeches of Stalin himself. In addition to a detailed narrative and analysis of Stalin's rule, chapters also cover his early years and humble beginnings in a small town at a remote outpost of the Russian Empire, his role in the revolution, his relationships with Lenin, Trotsky and others in the 1920s and his rise to become one of the most powerful figures in human history. The book closes with an account of Stalin's afterlife and legacy both in the immediate aftermath of his death and in the decades since. This concise account of Stalin's life is the perfect introduction for students of modern Russian history. **A**

Thousand Days in Venice Marlena De Blasi, 2013-01-01 De Blasi, a chef and food writer from St Louis, begins a whirlwind romance with a man in Venice. **Angels on the Head of a Pin** Yuri Druzhnikov, 2014-06-01 In this contemporary Russian classic, a samizdat document arrives at a Soviet newspaper headquarters with unimaginable consequences. *Angels on the Head of a Pin* is set in Moscow in the late 1960s at a time when Khrushchev-era liberalization is being threatened by the return to personality cult and repression following the Soviet intervention in Czechoslovakia. The editor in chief of the organ of the Communist Party collapses with a heart attack outside the Central Committee building. This is partly brought on by the appearance of a samizdat manuscript on his desk that leads to his anguishing over who left it there and what to do with it to

avoid falling victim to the malevolence its content is likely to unleash The solution lies with Yakov Rappoport an ageing and cynical Jewish veteran of the war and two spells in the Gulag the author of not only the obnoxious popular campaigns sponsored by the newspaper and all its letters to the editor but of every speech that gets made in public by the principals of the regime as well His efforts to help his stricken editor as well as the novel's star crossed lovers lead to a hallucinatory climax
