

Elizabethan Theatre Conventions

Brought to you by thedramateacher.com

HEIGHTENED LANGUAGE

Elizabethan playwrights wrote in a mix of prose and dramatic verse, sometimes rhyming, at other times not (blank). Verse was typically spoken by noble characters, while prose was left for the more common characters. Blank verse incorporating iambic pentameter was the standard verse in Elizabethan theatre.

SOLILOQUY

Elizabethan dramas often included soliloquies, where an actor speaks inner thoughts aloud, but not within earshot of another, as a device to reveal a character's internal conflicts, desires, and plans.

THRUST STAGE

The Elizabethan outdoor stage 'thrust' into the spectator area with the audience viewing the action from three sides, allowing for a more intimate actor-audience experience.

PRESENTATIONAL ACTING STYLE

Elizabethan performers acknowledged the presence of an audience, often 'playing up' to them for comic effect. Prologues, asides and soliloquies were all variations of the modern technique of direct address.

BARE STAGE

Elizabethan stages were devoid of any sets, with just a few small props, if any.

EAVESDROPPING

Eavesdropping, where one or more characters overhear another conversation, was used in Elizabethan dramas to reveal secrets or crucial information.

MASQUE

Levish masques involving acting, singing, and dancing, were performed indoors at the Queen's Court. Elaborate masks hid faces.

MUSIC

Instrumental music occurred before, during and after performances, adding atmosphere and signalling scene changes.

PLAY WITHIN A PLAY

This theatrical device was used to foreshadow events or mirror action that had occurred in the main plot.

ASIDE

Many Elizabethan plays included asides, where a character addresses the audience 'on the side', empowering them with valuable information other characters are unaware of.

BOYS PERFORMING FEMALE ROLES

Prepubescent boys performed all female roles in the professional theatre, as women were not permitted to act in the public English stage until the 1660s.
