The Emigrants:

The Emigrants Vilhelm Moberg,1995 From the Publisher Book One introduces Karl Oskar and Kristina Nilsson their 3 young children and 11 others who make up a resolute party of Swedes fleeing the poverty religious persecution and social oppression of Smaland in 1850 **The Emigrants** Gilbert Imlay,1998-04-01 Imlay s delightful epistolary adventure of 1793 set on the American frontier was one of the first American novels The trials of an emigrant family in the Ohio River Valley of Kentucky contrast the decadence of Europe with the utopian promise of the American West Its sensational love plots also dramatize the novel s surprising feminist allegiances **The Emigrants** George Lamming,1994 A compelling and intricate novel of emigration and the effects of colonialism on a people **The Emigrant's Guide to Oregon and California** Lansford W. Hastings,1994 Published in 1845 this guidebook for pioneers is a reproduction of one of the most collectible books about California and the Western movement It was the guidebook used by the Donner Party on their fateful journey In addition because Hastings shortcut route through the Rockies produced such tragedy the War Department commissioned **The Prairie Traveler** **Story of the Life of Mrs. Caroline Chisholm, the emigrants' friend, and her adventures in Australia** Caroline CHISHOLM,1852 Charlotte Smith Jacqueline M. Labbe,2003 Smith is shown to be both an innovator and a significant figure in understanding Romantic conceptions of gender As the first book devoted to a serious critical study of Smith s poetry Charlotte Smith Romanticism poetry and the culture of gender will appeal to professional scholars and students alike Jacket The Emigrant George Baker,2008 This is the moving story of George his years in China from his birth in 1934 up to 1957 and his quest to be reunited with his family whom he had not seen for many years He drifted from one place to another and his unusual upbringing with distant relatives strangers and the time he spent alone in a charity run boarding school taught him that he had to fight to survive The images of what he saw would haunt him for the rest of his life but nothing could prepare him for the upheaval and upset ahead when his daring plan to escape from the wars being raged around him to freedom became reality Blinded by the passion of youth and his need to be wanted to belong and be loved his miraculous journey to find his family meant he had to grow up fast and leave behind the people who had meant so much to him including his first love This is my story and I hope that readers will forgive me for some of the language used but it was necessary in order to express the iniquity of the events that occurred **The Emigrant Ship** William Clark Russell,1893 **Papers Relating to the Foreign Relations of the United States** United States. Department of State,1871 **House Documents, Otherwise Publ. as Executive Documents** United States. Congress. House,1872
