The Enchanted Years:

The Enchanted Years of the Stage Felicia Hardison Londré, 2007 Drawing on the recollections of renowned theater critic David Austin Latchaw and on newspaper archives of the era Londré chronicles the first golden age of Kansas City theater from the opening of the Coates Opera House in 1870 through the gradual decline of touring productions after World War I Provided by publisher **Kansas City** Andrea L. Broomfield, 2016-02-25 While some cities owe their existence to lumber or oil turpentine or steel Kansas City owes its existence to food From its earliest days Kansas City was in the business of provisioning pioneers and traders headed west and later with provisioning the nation with meat and wheat Throughout its history thousands of Kansas Citians have also made their living providing meals and hospitality to travelers passing through on their way elsewhere be it by way of a steamboat Conestoga wagon train automobile or airplane As Kansas City's adopted son Fred Harvey sagely noted Travel follows good food routes and Kansas City's identity as a food city is largely based on that fact Kansas City A Food Biography explores in fascinating detail how a frontier town on the edge of wilderness grew into a major metropolis one famous for not only great cuisine but for a crossroads hospitality that continues to define it Kansas City A Food Biography also explores how politics race culture gender immigration and art have forged the city's most iconic dishes from chili and steak to fried chicken and barbecue In lively detail Andrea Broomfield brings the Kansas City food scene to life **A Book of Verses** James Lawler, 2009-03-04 My book of verses is a collection of poems I have written throughout the years Some are inspired by events in my life Others are purely figments of my imagination I write about people I have encountered news even the way I see the world and the things around me anything and everything that inspires me I try not to offend anyone by making blanket statements or speaking in absolutes The way I see the world is strictly from my point of view and not intended to be construed as factual I might appear to be preaching from a soap box at times I hope not but we all see the world in different ways I write about the way I see it My poems are intended for anyone that can open a book I attempt to add a bit of humor a little drama a lot of love a touch of evil In essence I have mixed a variety of ingredients together to make it interesting The purpose of my poetry is to hopefully take the reader away from reality for a while Its intended to relax the mind for a spell I believe that is the purpose of a book It is like a fountain of knowledge where the thirsty mind can be quenched It can be a companion for the lonely at heart an oasis in the midst of reality where one can escape for a while Poetry is my passion Its my escape from reality my high so to speak a tranquilizer to combat life's stressful moments [Catalog of Copyright Entries](#) Library of Congress.
