Robert A. Morey

The Encyclopedia Of Practical Christianity:

The Encyclopedia of Practical Christianity Robert A. Morey, 2003-11 What does God want you to know be and do as an individual family church and nation This question occupies the Bible from Genesis to Revelation Indeed you could divide all the verses in the Bible into four groups These are verses that address Individual Families Churches Nations **The Encyclopedia of Christianity** Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Containing more than 300 articles covering the alphabetical entries P Sh this book also includes articles on significant topics ranging from Paul political theology and the Qur an to religious liberty salvation history and scholasticism The Encyclopedia of Sunday Schools and Religious Education John Thomas McFarland, Benjamin Severance Winchester, 1915 **The Encyclopedia Britannica**, 1911

Elders Lead a Healthy Family J. R. Miller, 2017-04-20 Elders Lead a Healthy Family explores the biblical paradigm for shared leadership elders as the spiritual big brothers and shepherds to the family of God This book is a fresh biblical alternative to the standard fare of pragmatic church leadership Delivered in a winsome and irenic style the book addresses the key concerns of our day including pastoral burnout women as elders women and the pastoral gift power in leadership abuse of power in ministry ministerial pay and fostering missional leadership structures The answer to so many of the problems facing the church is not more coaching or better education The answer requires our churches to change the very structures that foster abuse isolation and burnout If we hope to save our pastors then we need our pastors to abandon the pastor as CEO model of leadership If we want to reach the lost we need a systemic change in the way we plant grow and maintain our churches Instead of putting a solo leader at the top of Church Incorporated we need to build teams of elders doing ministry together as they lead the family of God The Encyclopedia Britannica Thomas Spencer Baynes, 1885 *A Bible Handbook on Slander and Gossip* Robert A. Morey, 2009-11 This book is essential reading for all in Christian leadership today Slander and gossip are condemned in Scripture more than any other sins Dr Morey has written the definitive biblical study of these two sins This book is essential reading for all in Christian leadership today Slanderers and gossipmongers use the internet to rape the Bride of Christ and to drag the name of Jesus through the mud May God use this powerful book to rebuke these evil doers Bishop Colin P Akridge Dr Morey's handbook is full of practical and valuable counsel on recognizing and responding or not responding to slander for instance 21 signs of how to recognize a gossip monger Last but not least what makes this little book especially valuable are all the contemporary illustrations of gossip and slander along with the application of biblical principles to them These illustrations are drawn from Dr Morey's long ministry and vast experience as a pastor and as a counselor of pastors pastororum and their parishioners Dr George P Hutchinson Th M D Phil Dr Robert A Morey M A D Min Ph D D D is the Executive Director of Faith Defenders PO Box 240 Millerstown PA 17062 He has written over forty five books and was founder and President of CA Biblical University and Seminary **The Encyclopedia of Social Reform** ... William Dwight Porter Bliss, 1897 *The Bible, Natural Theology and Natural Law: Conflict Or Compromise?*

Robert A. Morey, 2010-05 Dr Robert Morey's study of natural law and natural theology raises important questions that every Bible believer will want answered. His careful study and explanation of various Bible passages will yield a useful orientation to the classic arguments furnished us by the Reformers and their faithful heirs. Dr Nelson Kloosterman: The present volume presents a devastating critique of natural theology and natural law. Its argument is solidly biblical and its accumulation of biblical data is overwhelming. I hope that God prospers it so that many will read it and take heed. Dr John Frame: A. W. Tozer said the most important thing about any person is what comes into their mind when they think of the word God. If you digest Dr Morey's book you will think of God as the glorious One depicted in Holy Scripture. John G. Reisinger: I appreciate Dr Morey's emphasis on making the Bible alone the theoretical basis for science and the arts. All throughout the book he consistently points to the Scriptures as the basis for sustaining everything else. Dr Simon Kistemaker

The End of the World

According to Jesus Robert A. Morey, 2010-05 In this fascinating work the author draws some amazing and ground breaking new insights into Bible prophecy from first century Jewish Apocalypticism and then presents a radical restructuring of the book of Revelation that clarifies it as no other book. Dr Morey unravels the seeming contradictions and mystifying puzzles of biblical prophecy using the Jewish hermeneutical principles that Jesus and the apostles used in their interpretation of Old Testament prophecy. There is no other book like this today. It explains the Mt Olivette Discourse and the book of Revelation in such a way that will astound and delight you. It is a must read for clear thinking Christians who want to know what will happen at the end of the world according to Jesus.
