Michael Wilson, 2014-10-07 *More Frontier Justice in the Wild West Bungled Bizarre and Fascinating Executions* reveals the details of more than two dozen instances of frontier justice from the era of the Wild West The events chosen are unique have some surprising twist serve as a landmark or benchmark event or just stand out in the annals of western justice **Art and Advertising in Buffalo Bill's Wild West** Michelle Delaney, 2019-10-24 William F Buffalo Bill Cody star of the American West began his journey to fame at age twenty three when he met writer Ned Buntline The pulp novels Buntline later penned were loosely based on Cody s scouting and bison hunting adventures and sparked a national sensation Other writers picked up the living legend of Buffalo Bill for their own pulp novels and in 1872 Buntline produced a theatrical show starring Cody himself In 1883 Cody opened his own show Buffalo Bill s Wild West which ultimately became the foundation for the world s image of the American frontier After the Civil War new transcontinental railroads aided rapid westward expansion fostering Americans long held fascination with their western frontier The railroads enabled traveling shows to move farther and faster and improved printing technologies allowed those shows to print in large sizes and quantities lively color posters and advertisements Cody s show team partnered with printers lithographers photographers and iconic western American artists such as Frederic Remington and Charles Schreyvogel to create posters and advertisements for Buffalo Bill s Wild West

Circuses and other shows used similar techniques but Cody's team perfected them creating unique posters that branded Buffalo Bill's Wild West as the true Wild West experience. They helped attract patrons from across the nation and ultimately from around the world at every stop the traveling show made. In *Art and Advertising in Buffalo Bill's Wild West*, Michelle Delaney showcases these numerous posters in full color, many of which have never before been reproduced, pairing them with new research into previously inaccessible manuscript and photograph collections. Her study also includes Cody's correspondence with his staff, revealing the showman's friendships with notable American and European artists and his show's complex modern publicity model. Beautifully designed, *Art and Advertising in Buffalo Bill's Wild West* presents a new perspective on the art innovation and advertising acumen that created the international frontier experience of Buffalo Bill's Wild West.

Georgian Trick Riders in American Wild West Shows, 1890s-1920s Irakli Makharadze, 2015-03-14 In 1893, Georgian horsemen from the Caucasus immigrated to the United States where for more than 30 years they performed in circuses and Wild West shows under the billing of Russian Cossacks. The connection between Buffalo Bill Cody and the Georgian trick riders represents one of the earliest relationships between Georgia and the United States. Western historian Dee Brown wrote, "Trick riding came to rodeo by way of a troupe of Cossack daredevils imported by the 101 Ranch. Intrigued by the Cossacks' stunts on their galloping horses, western cowboys soon introduced variations to American rodeo. This is the story of the men who came in search of financial support for their families in Georgia and without knowing it influenced an essential fixture of American culture."
