The Time of the End Not Yet ,1850 The End not yet: A Reply W. Elfe Tayler,2025-08-26 Reprint of the original first published in 1859 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The End Not Yet; a Reply to Dr. Cumming's New Work "The Great Tribulation; Or, The Things Coming on the Earth."*. William Elfe Tayler,1859 **Indiscretion** Thomas A. Carlson,1999-02-02 How can one think and name an inconceivable and ineffable God Christian mystics have approached the problem by speaking of God using negative language devices such as grammatical negation and the rhetoric of darkness or unknowing and their efforts have fascinated contemporary scholars In this strikingly original work Thomas A Carlson reinterprets premodern approaches to God s ineffability and postmodern approaches to the mystery of the human subject in light of one another The recent interest in mystical theological traditions Carlson argues is best understood in relation to contemporary philosophy s emphasis on the idea of human finitude and mortality Combining both historical research in theology from Pseudo Dionysius to Aquinas to Eckhart and contemporary philosophical analysis from Hegel and Nietzsche to Heidegger Derrida and Marion Indiscretion will interest philosophers theologians and other scholars concerned with the possibilities and limits of language surrounding both God and human subjectivity The Theological and Literary Journal ,1861 **Revelation (THNTC)** John Christopher Thomas, Frank D. Macchia ,2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book s most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the book *An Illustrated Commentary on the Gospel According to Matthew for Family Use and Reference and For the Great Body of Christian Workers of All Denominations* Lyman Abbott,2025-09-03 Reprint of the original first published in 1875 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Liturgical Theology** Simon Chan,2006-07-12 Evangelicals Simon Chan argues are confused about the meaning and purpose of the church in part because they have an inadequate understanding of Christian worship He calls evangelicals to develop a theology of worship that is grounded in a theology of the church He guides the reader through worship practices and their significance for theology spirituality and the renewal of evangelicalism in the postmodern era Being and Nothingness Jean-Paul Sartre,1992 Sartre explains the theory of existential psychoanalysis in this treatise on human reality *A Treatise Concerning Antichrist, ... Proving that the Pope is Antichrist ... Against All the Objections of R. Bellarmine, Etc* George
