

The background of the entire image is a deep space scene. It features a dark, velvety black sky filled with numerous stars of varying sizes and colors, including white, yellow, and blue. A prominent, bright blue star with a multi-pointed diffraction pattern is located in the upper left quadrant. Another similar, though slightly less bright, blue star is positioned to the left of the word 'of'. A large, glowing nebula with a mix of red, orange, and yellow hues is visible in the lower right corner. The overall effect is one of vastness and celestial wonder.
