## **The Elusive Presence Toward A New Biblical Theology Religious Perspectives:**

*The Elusive Presence* Samuel Terrien, 2000-03-09 A study of the presence of God throughout biblical history

**The Elusive Presence** Samuel Terrien, 1978     *The Elusive Presence* Samuel Terrien, 1983-09-01     [The Elusive Presence](#) Samuel Terrien, 1983-09     *Introducing Biblical Theology* Sigurd Grindheim, 2013-03-14 How do the different books of the Christian bible contribute to telling the story of God's salvation in Jesus Christ How can the diverse and sometimes confusing range of perspectives in the bible join together in one picture Sigurd Grindheim shows students how this picture can be seen as that of the Triune God the God who interacts God makes human beings who enjoy a peaceful relationship with him This relationship is broken because of sin but God continues to reach out to human beings through covenants Human failure to be faithful shows that God needs to intervene in a more direct way In his son Jesus Christ he comes to earth and brings reconciliation Grindheim draws on insights from scholarship and tradition to answer the major questions and presents them in a highly accessible form using examples revision questions and charts This book is written specifically for students at the start of courses in the Bible Theology and Ministry and for those searching for a deeper understanding of the theology of the Christian bible

*The Tabernacling Presence of God* Susan Booth, 2015-09-18 Although a large majority of believers agree that they should share their faith most report that they in fact do not That's not really all that surprising given today's pluralistic cultural setting But maybe this same culture's longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God's purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God's tabernacling presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide-eyed to the wonder of God's tabernacling presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit

**The Cambridge Companion to Biblical Wisdom Literature** Katherine J. Dell, Suzanna R. Millar, Arthur Jan Keefer, 2022-06-09 Study of the wisdom literature in the Hebrew Bible and the contemporary cultures in the ancient Near Eastern world is evolving rapidly as old definitions and assumptions are questioned Scholars are now interrogating the role of oral culture the rhetoric of teaching and didacticism the understanding of genre and the relationship of these factors to the corpus of writings The scribal culture in which wisdom literature arose is also under investigation alongside questions of social context and character formation This Companion serves as an essential guide to wisdom texts a body of biblical literature with ancient origins that continue to have universal and timeless appeal Reflecting new interpretive approaches including virtue ethics and intertextuality the volume includes essays by an international team of leading scholars They engage with the texts

provide authoritative summaries of the state of the field and open up to readers the exciting world of biblical wisdom

*Introducing Old Testament Theology* W. H. Jr. Bellinger, 2022-05-17 A senior scholar and teacher with four decades of classroom experience offers a concise student level theology of the entire Old Testament W H Bellinger Jr uses ancient Israel's confession of faith the Psalms to introduce the sweep of Old Testament theology creation covenant and prophecy He shows how these three theological dimensions each entail a portrayal of God and invite a human response to God Bellinger also discusses how to appropriate Old Testament theology for contemporary life Spirituality for the Sent Nathan A. Finn, Keith S. Whitfield, 2017-03-28 While spiritual formation focuses on the inner life of the Christian the missional church discussion focuses on one's life in the world Nathan A Finn and Keith S Whitfield bring together leading evangelical voices to cast a new vision for a missional spirituality that fosters spiritual maturity while also fueling Christian evangelism cultural engagement and the pursuit of justice Friendship of the Lord Deryck Sheriffs, 2004-09-07 Does the religious experience of Israelites mean anything to us today Or does it apply more to the rituals prayers and myths of the ancient Near East than to our world Was Israelite spirituality so rooted in its culture that it will not transplant Or can we graft its shoots of faith and its struggle with life into our contemporary spirituality with integrity What happens when we look at a relationship with God through the lens of the Old Testament Does the Old Testament open a window on what it means to be human now These are the issues addressed in this survey It looks at what it means to see life as a journey walked with God It explores the fear of the Lord biblical meditation and confronting God in anger It focuses on life's mundaneness and its absurdity It analyses guilt true and false and restoration through forgiveness It asks whether Israel's experience of time passing the calendar of seasons and the rhythm of life offer today's urban commuters memos for their diaries Deryck Sheriff's concern to bridge the divide has led him to write a book on the Old Testament which moves from the world of academic biblical studies into the realm of contemporary spirituality
