The Embodiment Of God As A Whole Being At1:

The Embodiment of God as a Whole Don Marr,2004-11-23 One evening in 1991 businessman Don Marr was awakened suddenly from his sleep by a mysterious force Ideas flowed swiftly through his mind as his hand would write on its own He was told that this was a voluntary process that could be stopped at any time He arose that night and many nights to follow His efforts resulted in two books A GATEWAY TO HIGHER CONSCIOUSNESS and MY FATHER CALLS ME One Mans Way Back To GOD In this third book the dialogue format of MY FATHER CALLS ME One Mans Way Back To GOD continues The emphasis is on the concept of all of us being AT 1 What comments would someone who understands that we are all one have for us Will the universe really shift to this idea When might it happen These issues are addressed in the question and answer format that were used in Dons previous book The dialogue between Self and Higher Self concerns the knowledge about our future

A Gateway to Higher Consciousness Don Marr,2003-12-26 Surprise February 1 1991 What would you do if one night while you were sleeping you were suddenly awakened and you noticed that your left hand was moving without your help Ideas were flowing through you and being written by your left hand You ask what s going on and you are told that this process is voluntary and can be stopped at any time What would you do Would you panic or would you experiment with it and see what you got In 1991 this actual experience happened to businessman Don Marr He had no previous experience as a writer and no affiliation with any religious organization For several months he was awakened exactly at 3 30 A M and the process continued This information seemed other worldly or of a spiritual nature As he compiled this information he organized it into several essays Each one answered a specific question man has always wondered about What questions do you have This information may answer many questions you have about life or may raise more questions Have you ever asked who you were What is Love What is God s will for me You may be surprised by the answers Don received These middle of the night experiences have resulted in three books The first A Gateway To Higher Consciousness is a formula or guide to assist you in accessing your higher self or soul for direct communication Following this information Don then co created a second book My Father Calls Me One Man s Way Back To God This was followed by a third book called The Embodiment of God as a Whole Being AT 1

My Father Calls Me Don Marr,2018-06-16 Ever want to touch God We ve all wondered about life and the existence of God If you had a chance to ask God anything what would you ask In 1991 businessman named Don Marr was taking dictation from what he thought were angels or spiritual beings ultimately creating his first book A Gateway To Higher Consciousness The process continued a year later when quite by surprise the conversation took a sudden turn The spiritual being identified itself as god goddess all that is From there the dialogue got very interesting and Don began to ask the questions that we ve always wanted to ask What s this thing called love What about sex What are we doing here What happens when you die What about sin guilt and judgment Do people exist on other planets What can you do to improve your intimate relationships The answers he received may surprise you They may shock you or they may raise more questions In

Homechurch Studies Ian Charles Morgan, 2011-01-11 This programme is designed both for people with firm opinions

and for people who have no opinions at all It does not assume extensive Bible knowledge neither does it mitigate against those who are recognized teachers of scripture In fact the real challenge of this programme is how church leaders manage the ensuing debates that arise from studying the Bible in this way If you see your primary task as a leader as being one of maintaining the orthodoxy of your church tradition than this programme is probably not for you If on the other hand you believe that the words of Jesus are true that the Holy Spirit has been given to us to lead us into all truth then this is an opportunity to strip away the traditions of men and go deeper into God s Word and there discover anew the immense treasures that he has revealed in His scriptures

The Cradle, the Cross, and the Crown Andreas J. Köstenberger, L. Scott Kellum, Charles L. Quarles, 2016-08-15 The Cradle the Cross and the Crown guides serious New Testament students through the historical literary and theological dimensions of the biblical text allowing them to better understand and share God s word of truth 2 Tim 2 15 It offers a thorough introduction to all twenty seven books of the New Testament and closely examines events such as Christ s incarnation and virgin birth his crucifixion and resurrection and triumphant return The second edition features updated bibliographies and footnotes interpretation sections that cover different literary genres in the New Testament an epilogue that canvasses the entire storyline of Scripture and a variety of maps All of these new features contribute to making this a life long resource for students of Scripture
