The End Of Chivalry Exploring The Past:

Time Travel for Realists: Exploring Destinations Stuck in the Past Ahmed Musa, 2025-01-10 In Time Travel for Realists the concept of time travel is explored through a more grounded lens taking you on a journey to real world destinations that feel as though they are stuck in the past From ancient cities frozen in time to remote villages that have remained unchanged for centuries this book offers a unique exploration of places where history feels alive and untouched by modernity While not about traveling through time itself this book showcases the wonders of the world where you can step back in time and experience life as it once was Whether it s the ancient ruins of Petra the remote landscapes of Mongolia or the preserved traditions of rural Japan Time Travel for Realists shows how you can visit the past in the present and gain a deeper appreciation for history culture and timeless human experiences

Chivalry and Exploration, 1298-1630 Jennifer Robin Goodman, 1998 The literature of medieval knighthood is shown to have influenced exploration narratives from Marco Polo to Captain John Smith Explorers from Marco Polo to Captain John Smith viewed their travels and discoveries in the light of attitudes they absorbed from the literature of medieval knighthood Their own accounts and contemporary narratives reinforced by the interest of early printers reveal this interplay but historians of exploration on the one hand and of chivalry on the other have largely ignored this cultural connection Jennifer Goodman convincingly develops the idea of the chivalric romance as an imaginative literature of travel she traces the publication of medieval chivalric texts alongside exploration narratives throughout the later middle ages and renaissance and reveals parallel themes and preoccupations She illustrates this with the histories of a sequence of explorers and their links with chivalry from Marco Polo to Captain John Smith and including Gadifer de la Salle and his expedition to the Canary Islands Prince Henry the Navigator Cort s Hakluyt and Sir Walter Raleigh JENNIFER GOODMAN teaches at Texas A M University

The Roman World , 1989 Describes the lives and times of Hannibal Julius Caesar and Cleopatra

Hidden in Plain Sight Rachel Stephens, 2023-09-22 In the decades leading up to the Civil War abolitionists crafted a variety of visual messages about the plight of enslaved people portraying the violence familial separation and dehumanization that they faced In response proslavery southerners attempted to counter these messages either through idealization or outright erasure of enslaved life In *Hidden in Plain Sight* Concealing Enslavement in American Visual Culture Rachel Stephens addresses an enormous body of material by tracing themes of concealment and silence through paintings photographs and ephemera connecting long

overlooked artworks with both the abolitionist materials to which they were responding and archival research across a range of southern historical narratives Stephens begins her fascinating study with an examination of the ways that slavery was visually idealized and defended in antebellum art She then explores the tyranny especially that depicted in art enacted by supporters of enslavement introduces a range of ways that artwork depicting slavery was tangibly concealed considers photographs of enslaved female caretakers with the white children they reared and investigates a printmaker s confidential work in support of the Confederacy Finally she delves into an especially pernicious group of proslavery artists in Richmond Virginia Reading visual culture as a key element of the antebellum battle over slavery Hidden in Plain Sight complicates the existing narratives of American art and history *Toronto, Old and New* Graeme Mercer Adam, 1891 **The Middle Ages**, 1989 Describes the lives and times of William the Conqueror Richard I and King John
