MISPERFORMANCE : essays in shifting perspectives Marin Blažević, Lada Pale Feldman, 2014-07-02

MISperformance essays in shifting perspectives is a collection of essays that address a spectrum of cultural organizational technological ecological political and daily performances by focusing on the causes and consequences of a misfire misconception misrecognition misnaming misfitting etc Aspects and impacts of MISperformance that are susceptible to provoking disturbances distortions alternations abortions if not disasters within diverse spheres of private and social life including aesthetic and political practices are investigated in the light of their potentially both regressive even tragic outcome and resistant even transgressive efficacy as also the absence or abandonment of any reason in or for performance

Psychoanalysis and Performance Patrick Campbell, Adrian Kear, 2002-09-11 The field of literary studies has long recognised the centrality of psychoanalysis as a method for looking at texts in a new way But rarely has the relationship between psychoanalysis and performance been mapped out either in terms of analysing the nature of performance itself or in terms of making sense of specific performance related activities In this volume some of the most distinguished thinkers in the field make this exciting new connection and offer original perspectives on a wide variety of topics including hypnotism and hysteria ventriloquism and the body dance and sublimation the unconscious and the rehearsal process melancholia and the uncanny cloning and theatrical mimesis censorship and activist performance theatre and social memory The arguments advanced here are based on the dual principle that psychoanalysis can provide a productive framework for understanding the work of performance and that performance itself can help to investigate the problematic of identity *The Grotowski*

Sourcebook RICHARD SCHECHNER, Lisa Wolford Wylam, 2013-11-05 This acclaimed volume is the first to provide a comprehensive overview of Jerzy Grotowski's long and multi faceted career It is essential reading for anyone interested in Grotowski's life and work Edited by the two leading experts on Grotowski the sourcebook features essays from the key performance theorists who worked with Grotowski including Eugenio Barba Peter Brook Jan Kott Eric Bentley Harold Clurman and Charles Marowitz writings which trace every phase of Grotowski's career from his theatre of production to objective drama and art as vehicle a wide ranging collection of Grotowski's own writings plus an interview with his closest collaborator and heir Thomas Richards an array of photographs documenting Grotowski and his followers in action a historical critical study of Grotowski by Richard Schechner *Beckett in Performance* Jonathan Kalb, 1991-09-05 A critical look at the work of one of the twentieth century's most influential playwrights emerges from the viewpoint of numerous Beckett actors and directors and includes the author's personal experiences as well *Mnemodrama in Action* John C Green, 2019-03-05 This book provides an introductory guide to the experiments in actor training conducted by the Italian theatre maker Alessandro Fersen in his studio laboratory in Rome between 1957 and 1983 This work resulted in the creation of Mnemodrama a drama of memory The technique was designed by Fersen to provide actors with a psychic training By

entering a state of trance they were able to access previously hidden dimensions of their personas using techniques inspired by ancient ritual practices In the process of creating Mnemodrama Fersen collaborated with practitioners in the fields of anthropology ethnology and psychology The inclusion of a selection of his theatre writings reveals the scope and diversity of Fersen s thinking and argues for this previously little known artist to be considered one of the pioneers of mid 20th century experimental theatre practice Through tracing one artist s journey this book provides new insights into the relationship between theatre and ritual

Inside The Performance Workshop Rachel Bowditch, Paula Murray Cole, Michele Minnick, 2023-05-31 Inside The Performance Workshop A Sourcebook for Rasaboxes and Other Exercises is the first full length volume dedicated to the history theory practice and application of a suite of performer training exercises developed by Richard Schechner and elaborated on by the editors and contributors of this book This work began in the 1960s with The Performance Group and has continued to evolve Rasaboxes a featured set of exercises is an interdisciplinary approach for training emotional expressivity through the use of breath body voice movement and sensation It brings together the concept of rasa from classical Indian performance theory and practice research on emotion from neuroscience and psychology experimental and experiential performance practices theories of ritual play and performance This book combines both practical how to guidance and applications from diverse contexts including undergraduate and graduate actor training television acting K 12 education devising and drama therapy The book serves as an introduction to the work as well as an essential resource for experienced practitioners

From Acting to Performance Philip Auslander, 2002-04-12 This first collection of essays by performance theorist and critic Philip Auslander surveys the changes in acting and performance during the crucial transition from the ecstatic theatre of the 1960s to the ironic postmodernism of the 1980s

Masked Performance John Emigh, 1996 Growing out of a series of articles written over a 15 year period and illustrated with over 100 photos this volume offers a narrowed focus examination of various performing traditions that rely on the expressive power and imagination of masks It explores the redefinition of self into other when the mask is worn and examines actors and their performances in Papua New Guinea Orissa India and Bali

The Politics of Cultural Practice Rustom Bharucha, 2000-10-27 Refuting the notion that the West is everywhere Rustom Bharucha draws on the emergent cultures of secular struggle in contemporary India to engage with the volatile global issues of intellectual property rights cultural tourism and the marking of minorities on the basis of religion caste language gender and sexuality

Performing Remains Rebecca Schneider, 2011-03-01 At last the past has arrived Performing Remains is Rebecca Schneider s authoritative statement on a major topic of interest to the field of theatre and performance studies It extends and consolidates her pioneering contributions to the field through its interdisciplinary method vivid writing and stimulating polemic Performing Remains has been eagerly awaited and will be appreciated now and in the future for its rigorous investigations into the aesthetic and political potential of reenactments Tavia Nyong'o Tisch School of the Arts New York University I have often wondered where

the big important paradigm changing book about re enactment is Schneider s book seems to me to be that book Her work is challenging thoughtful and innovative and will set the agenda for study in a number of areas for the next decade Jerome de Groot University of Manchester *Performing Remains* is a dazzling new study exploring the role of the fake the false and the faux in contemporary performance Rebecca Schneider argues passionately that performance can be engaged as what remains rather than what disappears Across seven essays Schneider presents a forensic and unique examination of both contemporary and historical performance drawing on a variety of elucidating sources including the America plays of Linda Mussmann and Suzan Lori Parks performances of Marina Abramovic and Allison Smith and the continued popular appeal of Civil War reenactments *Performing Remains* questions the importance of representation throughout history and today while boldly reassessing the ritual value of failure to recapture the past and recreate the original
