Fortune of the Rougons Emile Zola, 2015-12-29 INTRODUCTION The Fortune of the Rougons is the initial volume of the Rougon Macquart series Though it was by no means M Zola s first essay in fiction it was undoubtedly his first great bid for genuine literary fame and the foundation of what must necessarily be regarded as his life work The idea of writing the natural and social history of a family under the Second Empire extending to a score of volumes was doubtless suggested to M Zola by Balzac s immortal Comedie Humaine He was twenty eight years of age when this idea first occurred to him he was fifty three when he at last sent the manuscript of his concluding volume Dr Pascal to the press He had spent five and twenty years in working out his scheme persevering with it doggedly and stubbornly whatever rebuffs he might encounter whatever jeers and whatever insults might be directed against him by the ignorant the prejudiced and the hypocritical Truth was on the march and nothing could stay it even as at the present hour its march if slow none the less continues athwart another and a different crisis of the illustrious novelist s career

The Fortune of the Rougons Emile Zola, 2020-05-13 The novel is partly an origin story with a huge cast of characters swarming around many of whom become the central figures of later novels in the series and partly an account of the December 1851 coup d tat that created the French Second Empire under Napoleon III as experienced in a large provincial town in southern France

The Fortune of the Rougons Emile Zola, 2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

The Fortune of the Rougons Emile Zola, 2013-07 The Fortune of the Rougons is the initial volume of the Rougon Macquart series Though it was by no means M Zola s first essay in fiction it was undoubtedly his first great bid for genuine literary fame and the foundation of what must necessarily be regarded as his life work The idea of writing the natural and social history of a family under the Second Empire extending to a score of volumes was doubtless suggested to M Zola by Balzac s immortal Comedie Humaine He was twenty eight years of age when this idea first occurred to him he was fifty three when he at last sent the manuscript of his concluding volume Dr Pascal to the press He had spent five and twenty years in working out his scheme persevering with it doggedly and stubbornly whatever rebuffs he might encounter whatever jeers and whatever insults might be directed against him by the ignorant the prejudiced and the hypocritical Truth was on the march and nothing could stay it even as at the present hour its march if slow none the less continues athwart another and a different crisis of the illustrious novelist s career It was in the early summer of 1869 that M Zola first began the actual writing of The Fortune of the Rougons It was only in the following year however that the serial publication of the work commenced in the columns of Le Siecle the Republican journal of most influence in Paris in those days of the Second Empire The Franco German war interrupted this

issue of the story and publication in book form did not take place until the latter half of 1871 a time when both the war and the Commune had left Paris exhausted supine with little or no interest in anything No more unfavourable moment for the issue of an ambitious work of fiction could have been found Some two or three years went by as I well remember before anything like a revival of literature and of public interest in literature took place Thus M Zola launched his gigantic scheme under auspices which would have made many another man recoil The Fortune of the Rougons and two or three subsequent volumes of his series attracted but a moderate degree of attention and it was only on the morrow of the publication of L Assommoir that he awoke like Byron to find himself famous *Novels: The fortune of the Rougons. 1898* Émile Zola,1898

The Fortune of the Rougons Emile Zola,2007-09 This is the first volume in the Rougon Macquart series This series brought Zola literary fame and is considered his life work It took 25 years to finish the 20 volumes The idea for writing the social history of a family encompassing several volumes probably came from his reading the works of Balzac Zola shows how people in a family who appear to be quite individualistic actually are quite similar Heredity and proximity determine who we are and how we act The Fortune of the Rougons Emile Zola,2020-03-08 We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades in its original form The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The Fortune of the Rougons Émile Zola,2020-10-04 The first in Zola s famous Rougon Macquart series of novels In it we learn how the two branches of the family came about and the origins of the hereditary weaknesses passed down the generations Murder treachery and greed are the keynotes and just as the Empire was established through violence the fortune of the Rougons is paid for in blood Set in the fictitious Provençal town of Plassans The Fortune of the Rougons tells the story of Silvère and Miette two idealistic young supporters of the republican resistance to Louis Napoléon Bonaparte s coup d'état of December 1851 They join the woodcutters and peasants of the Var to seize control of Plassans and are opposed by the Bonapartist loyalists led by Silvère s uncle Pierre Rougon Meanwhile the foundations of the Rougon family and its illegitimate Macquart branch are being laid in the brutal beginnings of the Imperial regime The Fortune of the Rougons Émile Zola,2023-07-18 This gripping novel by French author Emile Zola tells the story of the rise of the Rougon family in the town of Plassans during the tumult of the Second French Empire Through their pursuit of power and wealth the Rougons become embroiled in a web of political intrigue and corruption A masterpiece of realism and social commentary this novel is
