*The Sinking of the Titanic and Great Sea Disasters* Logan Marshall, 2012-10 Only a few weeks after the sinking of the Titanic Marshall Logan was the first author to publish an account of the tragic event. His book contains plenty of information that has become forgotten over the last hundred years and provides a very detailed insight into the shipwreck. Most remarkable about Logan's work is its focus on personal stories of the Titanic's passengers. Told by those who survived, the history of the Titanic is most authentic and absorbing even for contemporary readers. Reprint of the original edition
