Justice and International

Law in Meiji Japan Giorgio Fabio Colombo,2023-02-10 This book carries out a comprehensive analysis of the Mar a Luz incident a truly significant episode in Japanese and world history from a legal perspective In July 1872 the Mar a Luz a barque flying the Peruvian flag carried Chinese indentured servants from Macau to Peru After the ship stopped for repairs in Kanagawa Bay a number of legal issues arose that were destined to change the perception and use of the law in Japan forever The case had a tremendous impact on the collective imagination both Japanese and international it is one of the first occurrences in which an Asian country decided to resist the pressure of a Western nation and responded using the most refined tools of domestic and international law Moreover the final outcome of the case arbitration in front of the Czar of Russia marks the debut of Japan on the stage of international arbitration While historians have written widely on the subject the legal importance of this event has been relatively neglected This book uses the case to explore the technical legal issues Japan was facing in its transition from pre modernity to modernity These include unequal treaties extraterritoriality clauses the need to establish an updated judicial system and a delicate balance between asserting sovereignty and resorting to diplomacy in solving disputes involving foreigners Based on original documents this book is an invaluable resource for researchers and academics in the fields of legal history dispute resolution international law Japanese history and Asian studies **Education Outlook** ,1929 **The Educational Times and Education Outlook** ,1929 **The London**

Mercury ,1928 *Britain and Japan* Hugh Cortazzi,2025-10-01 This tenth volume in the series comprising some fifty essays offers a further wide ranging selection of essays on different themes and personalities grouped thematically from portraits of key figures such as Stamford Raffles and Lord Lytton to the history of Japanese trade and investment in the UK such as NSK at Peterlee and Mitsubishi Electric in Scotland from scholars such as Basil Hall Chamberlain to international Japanese banker Ogata Shijuro Journal of the Royal Central Asian Society Royal Central Asian Society,1929 The Voice of England in the East Steven Richmond,2014-06-06 In the time of the Great Powers Stratford Canning served as British ambassador to the Ottoman Empire during several long missions throughout the first half of the nineteenth century Drafted into diplomacy by his older cousin and mentor the statesman George Canning Stratford arrived in the Ottoman capital at the age of 22 in January 1809 at the height of the Napoleonic Wars He concluded his final mission there in October 1858 more than two years after the end of the Crimean War His name became synonymous across Europe with the so called Eastern Question the imperial contest between the Powers for leverage in the Levant Canning was a prominent figure in major diplomatic episodes

of the period including the crucial peace treaty reached by the Ottomans and Russians in late May 1812 only weeks before Napoleon's invasion of Russia the war of Greek independence in the 1820s and the negotiation of an independent Greek state in 1832 and the preliminaries of the Crimean War in 1853 He witnessed and documented dramatic moments of Ottoman politics such as the Vaka i Hayriye or Auspicious Event the elimination of the ancient elite palace guards the Janissaries by Sultan Mahmud II in June 1826 For decades Canning supported the Ottoman reform movement and he played a role in developments preceding Sultan Abdulmecit's abolition of capital punishment for apostasy from Islam in March 1844 In *The Voice of England in the East* Steven Richmond reconstructs the imperial objectives and diplomatic practices of the period and depicts the characters customs and scenes of Konstantniyye Ottoman Constantinople Based upon Canning's personal archive British and Ottoman diplomatic records newspaper accounts correspondence and memoirs the result is an original study of East West relations and a novel portrait of empire at the dawn of the industrial era **The Economist** ,1929

Booksellers, Stationers and Fancy Goods Journal of Australia and New Zealand ,1929 *The British Diplomatic Service, 1815-1914* Raymond Jones,1983-08-24 Previous accounts of the British Foreign Office have left the impression that the diplomatic service was an insignificant appendage of the Foreign Office Jones's study redresses the balance demonstrating that the diplomatic service was an equal if not senior partner with the Foreign Office in the execution of British foreign policy After a brief introduction to the history of diplomacy Jones follows the changes wrought in the service by the intense political and social pressures of the nineteenth century Against the background of the growth of the Victorian Civil Service and the emergence of Great Britain as a world power in the age of the Pax Britannica Jones traces the demise of the family embassy and of a diplomacy deeply rooted in patronage and the corresponding development of the professional bureaucratic elite of the Edwardian era In case studies of the Near Eastern crisis of 1839-41 the Mason Sliddell Affair of the American Civil War and the Dogger Bank Crisis of 1904 the volume sets forth the working environment of an embassy both before and after the communications revolution following upon the introduction of the telegraph Also examined are the social structures of the unreformed diplomatic service and the later professional service The volume will be of interest to historians of diplomacy and foreign policy to political scientists and to students of social change **The Bookman** ,1924 *China Christian Year Book* ,1929 The Publishers Weekly ,1929 *The China Christian Year Book* ,1929
