collection s analysis of the range and meaning of women s writing and manuscript publication during the rise of the print industry alters our understanding of the history of the book and early modern British literature alike **Sir Walter Raleigh** Steven W. May,1989 **Literary and visual Raleigh** Christopher Armitage,2016-05-16 This collection of essays by scholars from Great Britain the United States Canada and Taiwan covers a wide range of topics about Raleigh s diversified career and achievements Some of the essays shed light on less familiar facets such as Raleigh as a father and as he is represented in paintings statues and in movies others re examine him as poet historian as a controversial figure in Ireland during Elizabeth s reign and look at his complex relationship with and patronage of Edmund Spenser A recurrent topic is the Hatfield Manuscript in Raleigh s handwriting which contains his long unfinished poem The Ocean to Cynthia usually considered a lament about his rejection by Queen Elizabeth after she learned of his secret marriage to one of her ladies in waiting The book is appropriate for students of Elizabethan Jacobean history and literature Among the contributors are well known scholars of Raleigh and his era including James Nohrenberg Anna Beer Thomas Herron Alden Vaughan and Andrew Hiscock

Tromly,2018-12-10 Sir Walter Raleigh s biographers have given little attention to his tragic relationship with his son Wat Walter They began in proud identification each seeing himself in the other But after the father s political downfall and imprisonment for treason he lost his authority in the family and the son began to reject paternal advice and his studies and to engage in violent quarrels and duels Often the father used his influence to rescue his son from his rash acts Things came to a head after Wat was sued by a young woman for violent assault and imprisoned The aged Raleigh had been freed from the Tower to lead an expedition to Guiana and as recently discovered documents reveal he delivered his son from the law by commissioning him as a captain on his flagship ominously named the Destiny In a shared tragedy Wat was killed in a skirmish and the grieving Raleigh returned to England broken in spirit and ready for the execution that awaited him *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles* University of California (System).
