Forgotten George C. Kyros,2019-12-12 Greece fought a bitter civil war during the 1940s A great portion of the people supported the existing system of government with its king as the head of state The rest of them strove to eliminate the king and convert Greece into a communistic nation Children between eight and fifteen years of age from northern Greece became victims of this madness Thousands of them were rounded up by the communist faction and sent to camps behind the Iron Curtain Fotis and Georgia fifteen year old siblings had lost their parents at the start of the war and were living under the care of one of their neighbors They along with forty six other children from the same village were rounded up by the leftist rebels and chaperoned to one of the many concentration camps in nations outside of Greece within countries beyond the Iron Curtin There they were cared for by strangers and taught the principles of communism Three years later the twins were separated from each other and their divernt journeys of hardship and pain continue The twins naver gave up searching for each other and at last their odyssey comes to a gripping and emotional conclusion

Megargee,2022-04-26 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933 1945 Volume IV aims to provide as much basic information as possible about individual camps and other detention facilities Why were they established Who ran them What kinds of prisoners did they hold What kinds of work did the prisoners do and for whom What were the conditions like The entries detail the sources from which the authors drew their material so future scholars can expand upon the work Finally and perhaps most important this is a work of memorialization it preserves the histories of places where people suffered and died Volume IV examines an under researched segment of the larger Nazi incarceration system camps and other detention facilities under the direct control of the German military the Wehrmacht These include prisoner of war POW camps including camps for enlisted men camps for officers camps for naval personnel and airmen and transit camps civilian internment and labor camps work camps for Tunisian Jews brothels in which women were forced to have sex with soldiers and prisons and penal camps for Wehrmacht personnel Most of these sites have not been described in detail in the existing historical literature and a substantial number of them have never been documented at all The volume also includes an introduction to the German prisoner of war camp system and its evolution introductions to each of the various types of camps operated by the Wehrmacht and entries devoted to each individual camp representing the most comprehensive documentation to date of the Wehrmacht camp system Within the entries the volume draws upon German military documents eyewitness and survivor testimony and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by the Wehrmacht Of particular note is the detailed documentation of the Wehrmacht's crimes against Soviet prisoners of war which have largely been neglected in the English language literature up to this point despite the fact that more than three million Soviet prisoners died in German captivity The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans treatment of Soviet prisoners and those of other nationalities The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa As a result this volume not only brings to light many detention sites whose existence has been little known but also advances the decades old process of dismantling the myth of the clean Wehrmacht according to which the German military had nothing to do with the Holocaust and the Nazi regime's other crimes *TO WHAT END?!* Andy A.
