Six Masters Of Early Qing And Wu Li:

Chinese Art and Dynastic Time Wu Hung, 2022-05-03 A sweeping look at Chinese art across the millennia that upends traditional perspectives and offers new pathways for art history Throughout Chinese history dynastic time the organization of history through the lens of successive dynasties has been the dominant mode of narrating the story of Chinese art even though there has been little examination of this concept in discourse and practice until now Chinese Art and Dynastic Time uncovers how the development of Chinese art was described in its original cultural sociopolitical and artistic contexts and how these narratives were interwoven with contemporaneous artistic creation In doing so leading art historian Wu Hung opens up new pathways for the consideration of not only Chinese art but also the whole of art history Wu Hung brings together ten case studies ranging from the third millennium BCE to the early twentieth century CE and spanning ritual and religious art painting sculpture the built environment and popular art in order to examine the deep rooted patterns in the historical conceptualization of Chinese art Elucidating the changing notions of dynastic time in various contexts he also challenges the preoccupation with this concept as the default mode in art historical writing This critical investigation of dynastic time thus constitutes an essential foundation to pursue new narrative and interpretative frameworks in thinking about art history Remarkable for the sweep and scope of its arguments and lucid style Chinese Art and Dynastic Time probes the roots of the collective imagination in Chinese art and frees us from long held perspectives on how this art should be understood Published in association with the Center for Advanced Study in the Visual Arts National Gallery of Art Washington DC

Wu Li (1632-1718) Xiaoping Lin, 2001 By constructing this work in biographical sequence focusing in particular on Wu Li s intellectual development and how it affected his artistic creation and by examining selected pieces in both philosophical and pictorial terms Xiaoping Lin has created a comprehensive study of Wu Li s life and art

China and Maritime Europe, 1500-1800 John E. Wills, Jr, 2010-12-31 China and Maritime Europe 1500 1800 looks at early modern China in some of its most complicated and intriguing relations with a world of increasing global interconnection New World silver Chinese tea Jesuit astronomers at the Chinese court and merchants and marauders of all kinds play important roles here Although pieces of these stories have been told before these chapters provide the fullest and clearest available summaries based on sources in Chinese and in European languages making this information accessible to students and scholars interested in the growing connections among continents and civilizations in the early modern period
