in 1979 by Stephen V Cole it has had four major editions The current edition is published by Amarillo Design Bureau Inc as
Star Fleet Battles Captain s Edition Star Fleet Battles was inducted into the Academy of Adventure Gaming Arts Design Hall
of Fame in 2005 where they stated that Star Fleet Battles literally defined the genre of spaceship combat games in the early
1980s and was the first game that combined a major license with high re playability In his 2007 essay Bruce Nesmith stated
No other game in hobby game history so completely captures the feel of ship to ship combat in space than Star Fleet Battles
The fact that it does so in the Star Fleet Universe is icing on the cake Star Fleet Battles is a ship to ship warfare simulation
game which uses cardboard counters to represent the ships shuttles seeking weapons terrain and information on a hexagonal
map It is not simply a game but rather a detailed game system for two or more players there are some solitaire scenarios
Typically a player will have one ship in a game though he can control an entire fleet if he can keep track of the paperwork

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
