

the sociology of work; and, perhaps more important, the authors allow themselves greater creative latitude in assembling their material. In short, *The Nature of Work* incorporates well-thought-out statements by senior scholars about their specialties. An additional strength of the book is that it is exceptionally well written, beginning with Kai Erikson's eloquent introductory piece on alienation.

The eighteen essays are grouped under five topics: work and personality; work as it relates to the broader culture; irregular work; unemployment; and high technology, the future of unions, and worker participation. I will not review all of the articles but will only discuss the ones that best represent the volume. Besides these, *The Nature of Work* also includes essays by Rose Coser (sex equity), Lewis Coser (forced labor), Cynthia Epstein (occupational communities), Arthur Stinchcombe (occupational communities), Stanton Wheeler (avocations), Eliot Freidson (volunteer work), Theda Skocpol (work and welfare), Rosabeth Kanter (workplace participation), and Amitai Etzioni and Paul Jargowsky (high-tech jobs).

Melvin Kohn offers a succinct summary of the conclusions now well established by the long line of research he has pioneered on work and personality: work and personality have reciprocal effects, and substantive complexity is the central job characteristic in this regard. Kohn also offers his thoughts on the theoretically peripheral nature of job satisfaction and on the role of group relations at work. Louis Ferman tours the irregular economy, first establishing its economic significance and then detailing its diverse forms. He argues that modern complex societies tend to constantly recreate an irregular sector.

Seymour Bellin and S. M. Miller discuss the history of government job creation efforts in the United States and outline current political forces limiting the spread of such programs. Bellin and Miller then outline a variety of proposals that could be used to generate more "good" jobs. Reading their essay, one cannot but be distressed by the meagerness over the decades of U.S. efforts at industrial planning and labor force training. Elijah Anderson reviews government training and employment policies oriented toward minority workers and the reasons they have failed. The increasing poverty of the black underclass heightens the need for such programs while making their success even more difficult.

The article by Fred Best discusses worksharing programs as possible mechanisms for spreading work, increasing income equality, and increasing leisure. Such programs include

reduced hours of work, early retirement, and worker training sabbaticals. Herbert Gans compares worksharing programs in the United States to those in Europe, which have had slightly better records of enactment. Finally, an article by Bill Form argues that the potential for resurgence in the labor movement rests on the ability of unions to organize female and minority workers in the service sector and other low-wage industries and occupations. All the articles mentioned are overviews, not original research, but I was impressed by their coherence and by the solid reasoning behind their conclusions.

The closing essay, by Steven Vallas, summarizes the articles but also identifies some emergent issues in the sociology of work that go unaddressed by these essays. In particular, Vallas sees the issue of worker agency as a key underdeveloped research agenda.

The essays in this volume provide little that will be news to practitioners in the sociology of work. Their contribution consists of highly coherent statements about the nature of work in 1990 and the state of research about work. I would seriously consider using this book in a graduate seminar on work and I will keep it on my bookshelf as a research tool.

Randy Hodson

Indiana University-Bloomington

Strategic Pay: Aligning Organizational Strategies and Pay Systems. By Edward E. Lawler III. San Francisco: Jossey-Bass, 1990. xvii, 308 pp. \$26.95.

Lawler says that "*Strategic Pay* is aimed at managers who are interested in pay system issues" (p. xii)—a potentially large audience. Many books have been written on pay system issues, but the concept of pay strategy is of 1980s vintage, and few books have dealt with it in the detail found here. This book could thus contribute significantly to managers' understanding of pay strategy.

Lawler defines pay strategy as strategy aligning an organization's pay objectives with its larger purposes. Specifically, the individual and organizational behaviors needed to accomplish the organization's strategic mission must be identified and translated into pay system objectives. Once these objectives are set, a pay system can be developed by selecting the

Strategic Pay Aligning Organizational Strategies And Pay Systems Introduction

In the digital age, access to information has become easier than ever before. The ability to download Strategic Pay Aligning Organizational Strategies And Pay Systems has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strategic Pay Aligning Organizational Strategies And Pay Systems has opened up a world of possibilities. Downloading Strategic Pay Aligning Organizational Strategies And Pay Systems provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strategic Pay Aligning Organizational Strategies And Pay Systems has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strategic Pay Aligning Organizational Strategies And Pay Systems. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strategic Pay Aligning Organizational Strategies And Pay Systems. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strategic Pay Aligning Organizational Strategies And Pay Systems, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strategic Pay Aligning Organizational Strategies And Pay Systems has transformed the way we access information. With the convenience, cost-

effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Strategic Pay Aligning Organizational Strategies And Pay Systems Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Strategic Pay Aligning Organizational Strategies And Pay Systems is one of the best book in our library for free trial. We provide copy of Strategic Pay Aligning Organizational Strategies And Pay Systems in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Strategic Pay Aligning Organizational Strategies And Pay Systems. Where to download Strategic Pay Aligning Organizational Strategies And Pay Systems online for free? Are you looking for Strategic Pay Aligning Organizational Strategies And Pay Systems PDF? This is definitely going to save you time and cash in something you should think about.
